This is the United Nations definitive report on the state of the world economy, providing global and regional economic outlook for 2020 and 2021. Produced by the Department of Economic and Social Affairs, the five United Nations regional commissions, the United Nations Conference on Trade and Development, with contributions from the UN World Tourism Organization and other intergovernmental agencies.

The second edition of this best-selling and highly respected textbook provides an accessible and engaging introduction to the major topics within physical geography. An Introduction to Physical Geography and the Environment is designed with a range of in-text features such as case studies and reflective questions to aid study. As well as this, students have access to a rich and extensive range of online support resources such as extra weblinks, fieldwork worksheets, interactive models and new video clips of physical processes in action, all of which will help them achieve success in their Physical Geography course.

This report is part of WHO’s response to the 49th World Health Assembly held in 1996 which adopted a resolution declaring violence a major and growing public health problem across the world. It is aimed largely at researchers and practitioners including health care workers, social workers, educators and law enforcement officials.
