Prior to 3AM Kisses I was only familiar with Addison through her amazing Colestra series. I'm so glad I got the opportunity to review an ARC for this tour because it was awesome! This is the first in a new series. Our H/h are Bryson and Baya.

Jet Madden is notoriously good with the ladies. It's not a fact I can confirm through experience, but, according to the lust-driven grapevine at Whitney Briggs University, he's a force to be reckoned with!many, many times in a single savory night. The day my world crashes around me, I'm shuttled off to live with the ratted, tatted, roided-up hulk. Regardless of the fact, I'll do anything to keep my distance from that egotistical, giant ball of muscles. The last thing I want is to become another notch on that totem pole of seduction he keeps tucked in his pants. The very last thing I want is to befriend or, heaven forbid, fall for Hollow Brook's resident wick dipper. But that sheet rock chest, those steel cut abs'a girl can only hold up her resistance for so long before she slowly goes insane. I'm trying to resist him, really I am, but I have to see if those rumors are true. Each night I dream of falling asleep in Jet Madden's arms, and each day I pretend as if I loathe his existence. It's all a lie. We're a lie. Staying away from Jet Madden is proving impossible. My body demands to collide with his, even if all it will ever amount to is our dirty little secret. Dirty Kisses He's afraid to get too attached. She's afraid of losing control. From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore! Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!"

"Can be a standalone!" I fell hard for Cade the moment I met up with those bedroom eyes of his, but it's not my heart I'm interested in gifting him. Cade James is my best friend's brother, well bred and well bred. To him I'm just another plaything, but I can't blame him for that. I'm not much to look at, and there's not a man on the planet that would be willing to make me his own. But Cade is pulling me deeper, asking questions, wanting to know what makes me tick/wanting to know who gave me the scar that takes up the landscape over half my face. Cade wants far more than what I'm willing to give him. If I let him in, let him into the most sacred chamber of my heart, I might end up with a wound far greater than the one that left that scar. The wound Cade James has the power to inflict could never heal. From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore! Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!"

"all 3AM KISSES books can be read as STANDALONE novels." Lawson Kent is a jerk of the highest order. Sure he's got the face of a god and the body of a prisoner dedicated to pumping iron, but every time he's in my way my blood boils. His obnoxious mug seems impossible to escape. So when we're paired together to work on the community interaction project we call a truce. In fact, the more I hang out with Lawson, the more it seems he really gets me. Not too many people do. Lucky Madden is a mouthy piece of work. Yes, she's gorgeous to a fault and that's precisely why her overprotective, tatted up brother, Jet, pays me the big bucks to make sure none of the idiots at Whitney Briggs University land her horizontal. Only, too bad for me, Lucky Madden is the last person I want to hover over every free chance I get. Then one night, she cuts the mouthy routine and does something far more productive with those lips, she kisses me. Now I can't get Lucky Madden out of my mind. I'm addicted in every single way, and soon enough, the only person her brother will want to rip to pieces is me.

From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore: Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!" Rock Candy Kisses (3AM Kisses 5) Annie Edwards was born deaf, but she's never let that define her. She's settling in as a freshman at Whitlney Briggs University, loves her dorm, her roommate, her classes, but something feels as though it's missing/enter Blake Daniels. He's everything Annie is not'a rocker, a player, a college dropout. Her friends want to sleep with him, her brothers want to kill him, and all Annie wants is a chance to see where her heart takes her. As the lead singer of 12 Deadly Sins, Blake has had his fair share of rock candy. But Annie has taken over his body, his mind, his heart!three things he's never lost control of before. Often first love and first heartbreak go hand in hand. Sometimes the thrill of one is worth risking the other.

Piper thinks Owen Vincent is a fool. Once they finish up with their internship she never wants to see him again. From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore "Cosmopolitan Magazine calls Addison's books, "...easy, frothy fun!" Piper James' first year at Whitney Briggs is starting off great, new friends, a potential sorority, and plenty of guys to choose from. Once she secures a spot in Alpha Chi, she'll have the greatest freshman year on record. But it just takes one look at the Alpha Chi 'hi list! of things she needs to do to get in and she know there's trouble!and trouble's name is Owen Vincent. Taming a player sounds impossible. Owen is the only player she knows and he certainly fits the bill, cocky, too many notches to count on his bedpost, and an aversion to relationships. Making Owen believe she wants him is pretty low, even if this entire fling is just a means to an end. But now she can't stop thinking about him. Yeah, he thinks he's God's gift to women, but now a part of her is kind of starting to agree. Girls are still dripping all over him like honey. Piper thinks there's no way he'd be interested in a commitment with her. Maybe Alpha Chi isn't what she wants. Maybe it's Owen? It's a brand new year at Whitney Briggs and things are about to get wild.
