In a world where magic reigns supreme, nineteen-year-old R. Morcen is the seventh Soul-Wizard of the Arcane Academy, essentially the most powerful being on the Lost Continent. Promoted to the highest wizarding rank in the Academy, he begins to discover that the daily life at the Academy as he knew it was but a smiling facade, with deep dark secrets being covered up and whispered to one another behind the backs of the others. Simultaneously, in the condemned half-elf city of Edgewood, Xero Batlissa lives the way of the sword, having such skill and speed with the blade that he is often referred to as the golden ghost of the Edgewood. However, since the half-elf race have been scorned and held in contempt from time immemorial, his feats gather no fame and recognition outside his sheltered community. Life, however, is not all song and dance, as the two come to realise quickly under completely different circumstances and when their peaceful world of the Lost Continent suddenly turns chaotic, the all-important questions that surface up are but simple ones. In this epic tale of snow and flame; steel and shadow; the orcs and the undead; dragons, demons and eternal darkness, is there really any hope left at all for the goodly races? If society is supposedly governed by wisdom, then why is it that the clueless broken world is deemed right in our logical stead? What is good any longer, if another ’ s perspective of the same good is evil? What is real anymore; and what then is not?

Crowning himself the Master of Baltimore after defeating his mother in battle, Gabriel, a five-hundred-year-old vampire, is forced into an uneasy alliance with his father, Eli, Master of Philadelphia and leader of the Watchers, vampires who have vowed to protect humans, when an ancient enemy targets the woman Gabriel loves. My name is Dagan. There are few alive with more blood on their hands than me. I was there when magic was restored to this world. If I'd been born in a different age, I would have been the greatest sorcerer known to man. My name is Dagan. This is my tale.

If you call the light, you will inevitably battle the darkness. Brady is a high school senior, the champion of the outcast and bullied, who becomes the unwitting recipient of a gift that is both beautiful and terrifying. He discovers he can talk to angels and draw down a magnificent and mysterious light from the Blessed Virgin. However, Brady soon realizes that such power comes at a price: If you call the light, you will inevitably battle the darkness. Indeed, a malevolent darkness is racing toward a small town outside of Dayton, Ohio - transported in a rusted, white conversion van. Its driver brings a palpable evil, unique in its seemingly aimless cruelty. Arrogant and vicious, Ray has no idea of the role he plays in his Master ’ s plan. This evil has the purpose of snuffing out a holy foe before it grows stronger. 1970s Beavercreek, Ohio is a small, Air Force base town. With lots of folks continually moving in and out, the community is slow to take notice when teenage girls start disappearing. However, as darkness descends and violence intensifies around him, Brady realizes that he is in a life-and-death struggle - not against school bullies, nor merely flesh and blood - but against a strange man with a leering smile who carries Satan in his soul. In an epic battle of good versus evil, Brady will fulfill a prophecy that is hidden in the vaults of the Vatican...but only if he follows the laws of the Prayer of Vengeance.
