This CD-Rom is part of the Ages & Stages Questionnaires (ASQ), a flexible, culturally sensitive system for screening infants and young children for developmental delays or concerns in the crucial first 5 years of life. The CD-Rom includes all 19 questionnaires and scoring sheets translated into Spanish, plus a Spanish translation of the intervention activity sheets found in The ASQ User's Guide. Each questionnaire covers 5 key developmental areas: communication, gross motor, fine motor, problem solving, and personal-social. Users can print an unlimited number of forms in PDF format. Some restrictions apply; ASQ is a registered trademark of Brookes Publishing Co.

ASQ(R) SE-2 Learning Activities & More are photocopiable sheets of developmentally appropriate, stimulating learning activities, informational newsletters, and topical tip sheets professionals can give to parents to support their children's social-emotional development.

ASQ: SE(TM) components include - 8 questionnaires and corresponding scoring sheets. Parents complete the short, simple questionnaires at all or some of the 8 age intervals. Set up like ASQ(TM), these questionnaires--available in English or Spanish--prompt parents to answer 22-36 questions with most of the time, sometimes, and rarely or never. Each questionnaire takes 10-15 minutes for parents to complete and addresses the seven behavioral areas listed above. For every questionnaire, there's also a photocopiable form that allows professionals to score the test in minutes and determine the child's progress in that area. - The ASQ: SE(TM) User's Guide. Clear and comprehensive, the User's Guide walks professionals step-by-step through the process of implementing ASQ: SE(TM). It provides detailed technical data; instructions on administering the questionnaires with sensitivity to children's environmental, cultural, and developmental differences; helpful case examples; and creative activities and lists of social-emotional behaviors professionals can share with parents for use with each age group. Spanish translations of letters to parents and selected forms are also included.
