Max Spencer is an underachiever but when a carnivorous unicorn, Princess the Destroyer, and an evil wizard, Rezormoor, bring him, the only one who can read the legendary Codex of Infinite Knowability, to their magical realm, he must find the courage to save himself, his friends, and the entire human race.

In this start to a hilarious middle grade fantasy trilogy, Max Spencer discovers that he could be a powerful wizard-and a killer unicorn is hunting him. It wasn't Max Spencer's idea to fight robots, lead an army, or save the world-it just so happens that he's the only living person who can read the most fantastical book ever written: The Codex of Infinite Knowability. The Codex is no ordinary book, and among other things, it describes a unicorn named Princess the Destroyer. Princess the Destroyer is not an average unicorn. She loves nothing more than hunting down, killing, and eating other creatures. After all, what's the point of having a sharp horn on your forehead if you don't use it for destructive purposes? And right now Princess has a very definite purpose: Find Max and retrieve the lost Codex for an evil sorcerer and his mysterious master. If she can do that, she's been promised an all-the-humans-you-can-eat buffet in Texas. Stuck in another world and with a carnivorous unicorn on his trail, Max must find the courage to save himself, his friends, and, oh yeah...the entire human race.

Max Spencer is an underachiever but when a carnivorous unicorn, Princess the Destroyer, and an evil wizard, Rezormoor, bring him, the only one who can read the legendary Codex of Infinite Knowability, to their magical realm, he must find the courage to save himself, his friends, and the entire human race.

Dubbed "deviously enjoyable" by Publishers Weekly, the second book in the hilarious Bad Unicorn trilogy features killer unicorns, good dragons, rogue fire kittens, and a boy who just might be a wizard. After defeating a killer unicorn and saving a universe, all Max and his friends want to do is go home. Instead, Max discovers that the Codex of Infinite Knowability has stopped working. He can't use it to get home until he reboots it. The problem is that in order to reboot the book, he's going to have to carry it into the heart of Rezormoor Dreadbringer's Wizard's Tower. Since Dreadbringer has been hunting Max and the book across time and space, getting in may be easy, but getting out will be another story. Max will just have to find a way to sneak into the tower, avoid the guards, escape Dreadbringer's clutches, and figure out exactly where inside the tower the Codex was created. No problem...right?!

After saving three worlds, Max has trouble settling back into middle school and life at home, but when he tries to return to the magical planet of Magrus, the evil Maelshadow begins changing humans into monsters in an effort to take over the planet, in the conclusion to the hilarious trilogy that started with Bad Unicorn and continued in Fluff Dragon. Simultaneous eBook.

At The Meriwether, Florida's famous antebellum hotel off of Hope Springs, nothing is quite as it seems. Secret staircases give way to servants' quarters and Prohibition-era speakeasies make for the perfect hide-and-seek spot. Allie Jo Jackson knows every nook and cranny of The Meriwether-she's lived there her whole life-and nothing surprises her, until the first time she spots the enigmatic and beautiful Tara emerging from the springs. Tara's shimmering skin, long flowing hair, and strange penchant for late moonlight swims disguise a mysterious secret-and once Allie Jo and her friend Chase discover Tara's secret, nothing will ever be the same. From the celebrated author of Violet Raines Almost Got Struck by Lightning comes another magical summer tale full of memorable characters and a one-of-a-kind setting.

Like many young women, Caillinn "Cal" Valderan has chosen an alternative to marriage or the nunnery: hunting unicorns. Though unicorn hunting is rewarded with monetary compensation, she is unsure of the worth of slaying the pure white equestrians. In this coming-of-age story of lost love and betrayal, Cal chooses between unicorns and humans, and between family obligations and her own values, going against her society's expectations and questions what others do not dare to question.
