Beautiful Darkness was a great sequel!!!! I fell in love with this book just like Beautiful Creatures. Of course, it left off on a cliffhanger, but at least I only have to wait until October to read Beautiful Chaos. Beautiful Darkness is another book that took me on a roller coaster ride. I could not figure out how it was going to end.

Heart of Darkness is a short novel by Polish novelist Joseph Conrad, written as a frame narrative, about Charles Marlow's life as an ivory transporter down the Congo River in Central Africa. The river is "a mighty big river, that you could see on the map, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country, and its tail lost in the depths of the land." In the course of his travel in central Africa, Marlow becomes obsessed with Mr. Kurtz. The story is a complex exploration of the attitudes people hold on what constitutes a barbarian versus a civilized society and the attitudes on colonialism and racism that were part and parcel of European imperialism. Originally published as a three-part serial story, in Blackwood's Magazine, the novella Heart of Darkness has been variously published and translated into many languages. In 1998, the Modern Library ranked Heart of Darkness one of the hundred best novels in English of the twentieth century.

One of the glories of Elizabethan drama: Marlowe's powerful retelling of the story of the learned German doctor who sells his soul to the devil in exchange for knowledge and power. Footnotes.

A special fiftieth anniversary edition of Kurt Vonnegut ' s masterpiece, " a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century " (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world ' s great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber ' s son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming " unstuck in time. " An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut ' s writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but

to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O' Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement." —The Boston Globe

From the New York Times bestselling author of *Girl in Pieces* comes a novel about love and loss and learning how to continue when it feels like you're surrounded by darkness that Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful." Here is what happens when your mother dies. It's the brightest day of summer and it's dark outside. It's dark in your house, dark in your room, and dark in your heart. You feel like the darkness is going to split you apart. That's how it feels for Tiger. It's always been Tiger and her mother against the world. Then, on a day like any other, Tiger's mother dies. And now it's Tiger, alone. Here is how you learn to make friends with the dark. "Stunning and beautifully written." -HelloGiggles "A rare and powerful novel, How to Make Friends with the Dark dives deep into the heart of grief and healing with honesty, empathy, and grace." --Karen M. McManus, New York Times bestselling author of *One of Us Is Lying* and *Two Can Keep a Secret* "Breathtaking and heartbreaking, and I loved it with all my heart." --Jennifer Niven, New York Times bestselling author of *All the Bright Places* and *Holding Up the Universe* Praise for Kathleen Glasgow's *Girl, Interrupted* meets *Speak*." --Refinery29.com "One of the most affecting novels we have read." --Goop.com "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page." --Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star*

A boy on the run. A girl determined to find him. A compelling fantasy looks at issues of privilege, protest, and justice. All light in Chattana is created by one man — the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights represent freedom, and he dreams of the day he will be able to walk among them. But when Pong escapes from prison, he realizes that the world outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong's prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden's perfect daughter, is bent on tracking Pong down and restoring her family's good name. But as Nok hunts Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat's twist on Victor Hugo's *Les Misérables* is a dazzling, fast-paced adventure that explores the difference between law and justice — and asks whether one child can shine a light in the dark.

A teenage orphan is caught up in President Lincoln's assassination—and another macabre plot—in this "fast-paced and dramatic" historical novel (Publishers Weekly). Emily's mother always told her that she should avoid Uncle Valentine, a doctor, that he was involved

in things she shouldn't know about. But after Emily is orphaned—as Washington, DC, is in chaos due to the end of the Civil War—she has nowhere else to go. Now, in addition to coping with the loss of her mother, the fourteen-year-old finds herself involved in two mysteries. First, she wonders about her best friend, Annie Surratt, and the Surratt family. Annie has a signed picture of the handsome actor John Wilkes Booth in her room—but there seems to be more of a connection between Booth and the Surratt family than Emily thought...possibly including the plot to kill Lincoln. At the same time, Uncle Valentine's odd behavior leads Emily to suspect that he is involved with body-snatching. As dark secrets swirl around her, Emily must figure out who she can trust, in this suspenseful tale “with a wealth of interesting background information” (Publishers Weekly). “Rinaldi has woven two interesting plots here into a fine coming-of-age historical novel....Makes readers feel as if they are living in history.” —Booklist “A vivid account of the moral ambiguities surrounding body snatching—for medical research—at the close of the Civil War.” —Publishers Weekly

A young alchemist turns to dark magic when a deadly plague sweeps through her homeland, in this epic fantasy from New York Times bestselling author Beth Revis. Seventeen-year-old Nedra Brysstain leaves her home in the rural northern territories of Lunar Island to attend the prestigious Yugen Academy with only one goal in mind: master the trade of medicinal alchemy. A scholarship student matriculating with the children of Lunar Island's wealthiest and most powerful families, Nedra doesn't quite fit in with the other kids at Yugen. Until she meets Greggori "Grey" Astor. Grey is immediately taken by the brilliant and stubborn Nedra, who he notices is especially invested in her studies. And that's for a good reason: a deadly plague has been sweeping through the north, and it's making its way toward the cities. With her family's lives--and the lives of all of Lunar Island's citizens--on the line, Nedra is determined to find a cure for the plague. Grey and Nedra grow close, but as the sickness spreads and the body count rises, Nedra becomes desperate to find a cure. Soon, she finds herself diving into alchemy's most dangerous corners--and when she turns to the most forbidden practice of all, necromancy, even Grey might not be able to pull her from the darkness.

Come feel the cool and shadowed breeze, come smell your way among the trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicacies—raspberry leaves!—and coos and sings. Come out to the cool, night wood, and buzz and hoot and howl—but do beware of the great horned owl—for it's wild and it's windy way out in the woods!

From the instant #1 New York Times bestselling author of the “eerie and fascinating” (USA TODAY) *The Thirteenth Tale* comes a “swift and entrancing, profound and beautiful” (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter's night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours, when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl

who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son ' s secret liaison stand ready to welcome their granddaughter. The parson ' s housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone ' s. Each family has mysteries of its own, and many secrets must be revealed before the girl ' s identity can be known. Once Upon a River is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is “ a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing ” (M.L. Stedman, #1 New York Times bestselling author of The Light Between Oceans).
