A dramatic and compelling true-crime psychological thriller This incredible story shows how John Douglas tracked and participated in the hunt for one of the most notorious serial killers in U.S. history. For 31 years a man who called himself BTK (Bind, Torture, Kill) terrorized the city of Wichita, Kansas, sexually assaulting and strangling a series of women, taunting the police with frequent communications, and bragging about his crimes to local newspapers and TV stations. After disappearing for nine years, he suddenly reappeared, complaining that no one was paying enough attention to him and claiming that he had committed other crimes for which he had not been given credit. When he was ultimately captured, BTK was shockingly revealed to be Dennis Rader, a 61-year-old married man with two children.

From 1974 to 1991, someone in the midwestern city of Wichita was leaving behind slain tortured bodies and anonymously proclaiming himself to police and reporters as "BTK" for "Bind, Torture, Kill." Then, for the next 14 years, BTK was silent. But when he began sending letters again, investigators would not miss their chance... Stuningly, police arrested Dennis Rader, the president of his church board and the father of two. As a shocked community watched, evidence began to pile up. Then Rader coldly described how he went about "his projects" as the families of his victims relived the horrific scenes this supposed pillar of the community had unleashed on their loved ones. From the tricks he used to enter his victims' homes to the puzzles he sent the media and the key role his own daughter may have played in his arrest, The BTK Murders is the definitive story of the BTK killer. He was, as one victim's family member called him, "a black hole inside the shell of a human being"—and the worst American serial killer since Ted Bundy.

In 1974, Dennis Lynn Rader stalked and murdered a family of four in Wichita, Kansas. Since adolescence, he had read about serial killers and imagined becoming one. Soon after killing the family, he murdered a young woman and then another, until he had ten victims. He named himself "B.T.K." (bind, torture, kill) and wrote notes that terrorized the city. He remained on the loose for thirty years. No one who knew him guessed his dark secret. He nearly got away with his crimes, but in 2004, he began to play risky games with the police. He made a mistake. When he was arrested, Rader's family, friends, and coworkers were shocked to discover that B.T.K. had been among them, going to work, raising his children, and acting normal. This case stands out both for the brutal treatment of victims and for the ordinary public face that Rader, a church council president, had shown to the outside world. Through jailhouse visits, telephone calls, and written correspondence, Katherine Ramsland worked with Rader himself to analyze the layers of his psyche. Using his drawings, letters, interviews, and Rader's unique codes, she presents in meticulous detail the childhood roots and development of one man's motivation to stalk, torture, and kill. She reveals aspects of the dark motivations of this most famous of living serial killers that have never before been revealed. In this book Katherine Ramsland presents an intelligent, original, and rare glimpse into the making of a serial killer and the potential darkness that lives next door.

What is it like to learn that your ordinary, loving father is a serial killer? In 2005, Kerri Rawson heard a knock on the door of her apartment. When she opened it, an FBI agent informed her that her father had been arrested for murdering ten people, including two children. It was then that she learned her father was the notorious serial killer known as BTK, a name he ' d given himself that described the horrific way he committed his crimes: bind, torture, kill. As news of his capture spread, Wichitacelebrated the end of a thirty-one-year nightmare. For Kerri Rawson, another was just beginning. She was plunged into a black hole of horror and disbelief. The same man who had been a loving father, a devoted husband, church president, Boy Scout leader, and a public servant had been using their family as a cover for his heinous crimes since before she was born. Everything she had believed about her life had been a lie. Written with candor and extraordinary courage, A Serial Killer ' s Daughter is an unflinching exploration of life with one of America ' s most infamous killers and an astonishing tale of personal and spiritual transformation. For all who suffer from unhealed wounds or the crippling effects of violence, betrayal, and anger, Kerri Rawson ' s story offers the hope of reclaiming sanity in the midst of madness, rebuilding a life in the shadow of death, and learning to forgive the unforgivable. " No easy answers here. No platitudes. Only raw honesty, written with the gracious authority of one who has glimpsed hell. Kerri Rawson shares her earned wisdom and a hope that has been bought with tears and nightmares. This book is a gritty must-read in the library of hope." —Paul J. Pastor, author of The Face of the Deep and The Listening Day

To all appearances, Dennis Rader was a model citizen in the small town where he had lived with his family almost his entire life. He was a town compliance officer, a former Boy Scout leader, the president of his church congregation, and a seemingly ordina

Recovered from Post Traumatic Stress Syndrome, Mary Capps finally got to tell her side of the story in this riveting book. Dennis Rader put her through hell during the six-and-one-half years she worked under his supervision in the Compliance Department for the City of Park City, Kansas. She worked with him right up to the week he was arrested and exposed as the Bind Torture Kill serial killer.

"For 31 years, an unremarkable family man stalked, killed, and terrorized the people of Wichita, Kansas. He was a devoted husband. A helpful Boy Scout dad. A reliable, conscientious employee. A dependable church president. And behind it all, the notorious serial killer BTK - a self-anointed acronym for "bind, torture, kill." Four award-winning crime reporters for The Wichita Eagle, with the enthusiastic help of Wichita police lieutenant Ken Landwehr and his BTK Task Force, reveal the full horrific tale as seen through the eyes of the killer, his victims, the investigators, and the reporters who covered it all."--Publisher.
