Read PDF Black Wings 1 Christina Henry

The first novel of the Black Wings urban fantasy series, by Christina Henry, author of *Alice and Lost Boy*. As an Agent of Death, Madeline Black is responsible for escorting the souls of the dearly departed to the afterlife. It's a 24/7 job with a lousy benefits package. Maddy's position may come with magical abilities and an impressive wingspan, but it doesn't pay the bills. And then, there are her infuriating boss, tenant woes, and a cranky, popcorn-loving gargoyle to contend with. Things start looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. But when an unholy monster is unleashed upon the streets of Chicago, Maddy discovers powers she never knew she possessed. Powers linked to a family legacy of tarnished halos. Powers that place her directly between the light of Heaven, and the fires of Hell...

When tall, dark and handsome Gabriel Angeloscuro rents out the empty apartment in her building, Madeline Black, an agent of death, thinks things are looking up until demons appear on the front lawn and an unholy monster is unleashed upon the streets of Chicago. Original.

From the national bestselling author of *Alice* comes a postapocalyptic take on the perennial classic "Little Red Riding Hood"...about a woman who isn't as defenseless as she seems. It's not safe for anyone alone in the woods. There are predators that come out at night: critters and coyotes, snakes and wolves. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death,

destruction, and disease. She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in, the one that was perfectly sane and normal and boring until three months ago. There are worse threats in the woods than the things that stalk their prey at night. Sometimes, there are men. Men with dark desires, weak wills, and evil intents. Men in uniform with classified information, deadly secrets, and unforgiving orders. And sometimes, just sometimes, there's something worse than all of the horrible people and vicious beasts combined. Red doesn't like to think of herself as a killer, but she isn't about to let herself get eaten up just because she is a woman alone in the woods....

From the author of *Lost Boy* comes a beautiful historical fairy tale about a mermaid who leaves the sea, only to become the star attraction of history's greatest showman. Once there was a mermaid called Amelia who could never be content in the sea, a mermaid who longed to know all the world and all its wonders, and so she came to live on land. Once there was a man called P. T. Barnum, a man who longed to make his fortune by selling the wondrous and miraculous, and there is nothing more miraculous than a real mermaid. Amelia agrees to play the mermaid for Barnum and walk among men in their world, believing she can leave anytime she likes. But Barnum has never given up a money-making scheme in his life, and he's determined to hold on to his mermaid.

In four new novellas, Christina Henry returns to the world of *Alice and Red Queen*, where magic runs as freely as secrets and blood. *Lovely Creature* In the New City lives a girl with a secret: Elizabeth can do magic. But someone knows her secret--someone who has a secret of his own. That secret is a butterfly that lives in a jar, a butterfly that was supposed to be gone forever, a butterfly that used to be called the Jabberwock... *Girl in Amber* Alice and Hatcher are just looking for a place to rest. Alice has been

dreaming of a cottage by a lake and a field of wildflowers, but while walking blind in a snowstorm she stumbles into a house that only seems empty and abandoned... When I First Came to Town Hatcher wasn't always Hatcher. Once, he was a boy called Nicholas, and Nicholas fancied himself the best fighter in the Old City. No matter who fought him he always won. Then his boss tells him he's going to battle the fearsome Grinder, a man who never leaves his opponents alive... The Mercy Seat There is a place hidden in the mountains, where all the people hate and fear magic and Magicians. It is the Village of the Pure, and though Alice and Hatcher would do anything to avoid it, it lies directly in their path...

"Revisit the village of Sleepy Hollow and discover that the oldest legends can be the hungriest, in this atmospheric, terrifying new novel from the author of *Alice* and *The Girl in Red*. Everyone in Sleepy Hollow knows about the Horseman, but no one really believes in him. Not even Ben Van Brunt's grandfather, Brom Bones, who was there when it was said the Horseman chased the upstart Ichabod Crane out of town-or snuffed out Crane's life by throwing his own head from a fell steed. Brom says that's just legend, the village gossips talking. More than thirty years after those storied events, the village is a quiet place. Fourteen-year-old Ben loves to play "Sleepy Hollow Boys," reenacting the events Brom once lived through. But then Ben and a friend stumble across the headless body of a child in the woods near the village, and the sinister discovery makes Ben question everything the adults in Sleepy Hollow have ever said. Could the Horseman be real after all? Or does something even more sinister stalk the woods?"--

From the national bestselling author of *The Mermaid* comes a mind-bending novel inspired by the twisted and wondrous works of Lewis Carroll... In a warren of crumbling buildings and desperate people

Read PDF Black Wings 1 Christina Henry

called the Old City, there stands a hospital with cinderblock walls which echo the screams of the poor souls inside. In the hospital, there is a woman. Her hair, once blond, hangs in tangles down her back. She doesn't remember why she's in such a terrible place. Just a tea party long ago, and long ears, and blood... Then, one night, a fire at the hospital gives the woman a chance to escape, tumbling out of the hole that imprisoned her, leaving her free to uncover the truth about what happened to her all those years ago. Only something else has escaped with her. Something dark. Something powerful. And to find the truth, she will have to track this beast to the very heart of the Old City, where the rabbit waits for his Alice.

"On an island lives a boy called Peter and his band of merry lost boys, young forever. That is, unless they get sick or killed by pirates or eaten by crocodiles or unless--inexplicably--they grow old. For some of them do grow old, and nobody knows why. One of these boys is called Jamie, and he was the first boy that Peter ever brought to the island. Jamie's lived there for longer than he can remember, and it's not all fun and games. Peter thinks the boys are replaceable, that if one dies or grows up, he can swap in another from the Other Place, the place where he collects new playmates. Jamie looks out for the boys and takes care of them. He does everything Peter does not. Jamie tries to keep them alive because, to him, they matter. When Peter steals a boy who is too young, Jamie takes the boy under his wing. But Peter won't have that, for nobody will ever take Jamie from him. Ever"--

The author of Alice takes readers back down the rabbit hole to a dark, twisted, and fascinating world based on the works of Lewis Carroll... The land outside of the Old City was supposed to be green, lush, hopeful. A place where Alice could finally rest, no longer the plaything of the Rabbit, the pawn of

Read PDF Black Wings 1 Christina Henry

Cheshire, or the prey of the Jabberwocky. But the verdant fields are nothing but ash—and hope is nowhere to be found. Still, Alice and Hatcher are on a mission to find his daughter, a quest they will not forsake even as it takes them deep into the clutches of the mad White Queen and her goblin or into the realm of the twisted and cruel Black King. The pieces are set and the game has already begun. Each move brings Alice closer to her destiny. But, to win, she will need to harness her newfound abilities and ally herself with someone even more powerful—the mysterious and vengeful Red Queen...

A woman trapped on a mountain attempts to survive more than one kind of monster, in a dread-inducing horror novel from the national bestselling author Christina Henry. Mattie can't remember a time before she and William lived alone on a mountain together. She must never make him upset. But when Mattie discovers the mutilated body of a fox in the woods, she realizes that they 're not alone after all. There 's something in the woods that wasn 't there before, something that makes strange cries in the night, something with sharp teeth and claws. When three strangers appear on the mountaintop looking for the creature in the woods, Mattie knows their presence will anger William. Terrible things happen when William is angry.
