While at play with his dog, Newton, a young boy discovers the laws of force and motion in his everyday activities. Told in rhyme, Lynne Mayer's *Newton and Me* follows these best friends on an adventure as they apply physics to throwing a ball, pulling a wagon, riding a bike, and much more. They will realize that Newton's Laws of Motion describe experiences they have every day, and they will recognize how forces affect the objects around them. the "for Creative Minds" educational section includes: Force and Motion Fun Facts, Matching Forces, Who Was Newton?, and Newton's Laws of Motion (2 of 3). Additional teaching activities and interactive quizzes are available on the Arbordale Publishing website.

The Nelson Focus Teachersa Guides encourage the use of modelled, guided and independent reading strategies to enhance learning and promote further reading. The teachersa guides provide the following:

- practical ideas for guided reading - tasks that focus on content and encourage children to think strategically
- tasks relating to specific text types and structural formats within each book, encouraging children to read and respond to the text independently
- a variety of discussions suggestions and group tasks to complement the themes
- tips for guiding ESL students though each title
- a reading, writing and science (or society and environment) blackline master is provided for each title
- a reading record and assessment criteria sheet is provided for each title.

Softcover Student Book featuring complete curriculum coverage

The Science for WA series has been specifically tailored to meet the requirements of the Western Australia Science Syllabus. The books have been carefully crafted to promote deep conceptual understanding and skill development. Each chapter of each book is task-based, so students are engaged fully and have a clear purpose in learning. The Years 8, 9 and 10 Student Books contain Student CDs with activities like 'Let's Try Technology' and 'Find Out on the Web', which links to websites, interactive animations linked to The Learning Federation Learning Objects, and auto-correcting self tests. The Teacher Resource Pack at each level comes in both printed and electronic formats, so it can be uploaded onto the school intranet. Each pack contains blackline masters for each chapter, chapter assessment material and answers to text exercises and 'Let's Try Technology' activities.
