My image of God the Father, enthroned in heaven in flowing white robes and Birkenstock sandals, was overshadowed by my certainty that he didn't want me to have any fun. God was all about rules. (from Chapter Five Too many young Catholics experience their faith as Mark Hart did: They rarely miss Mass even if they don't understand it; they have a Bible even if they never read it; they go to confession even if they aren't particularly repentant. Is that your experience of Catholicism? Is yours a faith of Thou Shalt Not? If so, forget about a dreary life of mindless obedience to rules you don't understand. To the modern mind, the concept of poverty is often confused with destitution. But destitution emphatically is not the Gospel ideal. A love-filled sharing frugality is the message, and Happy Are You Poor explains the meaning of this beatitude lived and taught by Jesus himself. But isn't simplicity in lifestyle meant only for nuns and priests? Are not all of us to enjoy the goodness and beauties of our magnificent creation? Are parents to be frugal with the children they love so much? The renowned spiritual writer Dubai gives surprising replies to these questions. He explains how material things are like extensions of our persons and thus of our love. If everyone lived this love there would be no destitution. After presenting the richness of the Gospel message, more beautiful than any other world view, he explains how Gospel frugality is lived in each state of life.

When her husband left Christianity several years into their marriage, Stina Kielsmeier-Cook was left struggling to live the Christian life on her own. In this memoir, she tells the story of her mixed-faith marriage and how she found unexpected community with an order of Catholic nuns, discovering that she was not "spiritually single" after all (and that no one really is).
