The story of Demtrius "Big Meech" Flenory and his legendary street crew, the Black Mafia Family (BMF), is the tale of a modern-day don who aspired to be something more: a credible name in hip-hop. It is a tale built on the seduction of vast sums of money, a seduction that pulled in hip-hop stars but that also had a darker side.

This book was appropriately named, The Rise and Fall, and I tell ya, when they fell, it was pretty damn hard. I hear now that Big Meech, from inside his prison walls, is planning to do a reality show. That's pretty damn good to do, if the rumors are true. There are several entertainers tied to this mafia family, one being Young Jeezy.

In the early 1990s, Demetrius "Big Meech" Flenory and his brother, Terry "Southwest T," rose up from the slums of Detroit to build one of the largest cocaine empires in American history: the Black Mafia Family. After a decade in the drug game, the Flenorys had it all—a fleet of Maybachs, Bentleys and Ferraris, a 500-man workforce operating in six states, and an estimated quarter of a billion in drug sales. They socialized with music mogul Sean "Diddy" Combs, did business with New York's king of bling Jacob "The Jeweler" Arabo, and built allegiances with rap superstars Young Jeezy and Fabolous. crew members created a cult of violence that struck fear in a city and threatened to spill beyond the boundaries of the drug underworld. Ruthlessness fueled BMF's rise to incredible power; greed and that same ruthlessness led to their downfall. When the brothers began clashing in 2003, the flashy and beloved Big Meech risked it all on a shot at legitimacy in the music industry. At the same time, a team of investigators who had pursued BMF for years began to prey on the organization's weaknesses. Utilizing a high-stakes wiretap operation, the feds inched toward their goal of destroying the Flenory's empire and ending the reign of a crew suspected in the sale of thousands of kilos of cocaine and a half-dozen unsolved murders.

He went from selling dogs, rehabbing houses and driving for some of the BMF members to eventually gaining the trust of one of the brothers and becoming one of the managers of the St. Louis faction of BMF. With brothers Big Meech and Terry indicted and behind bars, life changed for Danny overnight. He was gunned down, surviving seventeen bullets from a .40 caliber semi-automatic weapon, which riddled through numerous parts of his entire body. After several surgeries and regaining consciousness, Danny reiterates, "The Dog Man is alive and the truth must be told" he states. A cautionary tale about the life of former kingpin Azie Faison, who has become the fabric of street legend Faison was a ninth grade dropout who earned more than \$100,000 a week selling cocaine in Harlem, New York, during the peak of America's "War on Drugs" between 1983 and 1990.

Faison, along with two partners, was an urban prince with cars, jewels, and people -- in awe of this million-dollar phenomenon -- at his feet. His legacy has been praised by hip-hop's top names in their lyrics, and his life was the basis for the urban cult classic film Paid in Full starring Mekhi Phifer, Wood Harris, and rapper Cam'ron and produced by Jay-Z's Roc-A-Fella Films. In Game Over, Azie brings forth a powerful memoir of New York's

"Full of astonishment . . . a kind of dark wonder." --Pete Hamill This is the story of Vincent Louis Gigante, the Genovese Family crime overlord who ruled a sprawling criminal empire for a quarter century with an iron--and deadly--fist. decades. Was he really crazy? Or crazy like a fox? Vincent "Chin" Gigante He started out as a professional boxer--until he found his true calling as a ruthless contract killer. His doting mother's pet name for the boy evolved into his famous alias, "Chin," a nickname that struck fear throughout organized crime as he routinely ordered the murders of mobsters who violated the Mafia code--including a contract put out on Gambino family boss John Gotti. Vincent Gigante was hand-picked by Vito Genovese to run the Genovese Family when Vito was sent to prison. Chin raked in more than \$100 million for the Genovese family, all while evading federal investigators. At the height of his power, he controlled an underworld empire of close to three hundred made men, extending from

New York's Little Italy to the docks of Miami to the streets of Philadelphia--making the Genovese Family the most powerful in the U.S. And yet Vincent "Chin" Gigante was, to all outside appearances, certifiably crazy. A serial psychiatric hospital outpatient, he wandered the streets of Greenwich Village in a ratty bathrobe and slippers, sometimes adding a floppy cap to complete the ensemble. He urinated in public, played pinochle in storefronts, and hid a second family from his wife. On twenty-two occasions, he admitted himself to a mental hospital--evading criminal prosecution while insuring his continued reign as "The Oddfather." It took nearly thirty years of endless psychiatric evaluations by a parade of puzzled doctors for federal authorities to finally bring him down. This is an

In the summer of 1987, Johnny Boone set out to grow and harvest one of the greatest outdoor marijuana crops in modern times. In doing so, he set into motion a series of events that defined him and his associates as the largest homegrown marijuana syndicate in American history, also known as the Cornbread Mafia. enforcement and a band of Kentucky farmers with moonshine and pride in their bloodlines. By 1989 the task force assigned to take down men like Johnny Boone had arrested sixty-nine men and one woman from busts on twenty-nine farms in ten states, and seized two hundred tons of pot. Of the seventy individuals arrested, zero talked. How it all went down is a tale of Mafia-style storylines emanating from the Bluegrass State, and populated by Vietnam veterans and weed-loving characters caught up in Tarantino-level violence and heart-breaking altruism. Accompanied by a soundtrack of rock-and-roll and rhythm-and-blues, this work of dogged investigative journalism and history is told by Higdon in action-packed, colorful and riveting detail.
