From New York Times bestselling author Jayne Ann Krentz comes the second novel in a dramatic trilogy set in breathtaking Eclipse Bay, a town filled with rivalries as fierce and compelling as the rugged Oregon coast... Nothing was ever simple between a Madison and a Harte. The feud that had divided their families still simmered. Now, only months after their siblings' wedding, Lilian Harte and Gabe Madison are at each other's throats. Successful

CEO Gabe had insisted on becoming a client of Lilian's matchmaking service. And after five disastrous dates, Lilian is at her wit's end. If she hadn't already decided to close her business and move home to Eclipse Bay, Gabe would have been the final straw. But when she finds Gabe at her door demanding she fulfill their business contract, the sparks between them suddenly turn personal. Once again, Eclipse Bay will witness a showdown—between a relentless Madison and an irresistible Harte...

The war continues... Eric Cross and his team of elite mercenaries are the bane of the Ebon Cities. Now the team is tasked with halting vampire activity near the remote city-state of Fane, where the Ebon Cities have teamed up with a former Revenger in search of a deadly weapon called Soulrazor. To make matters worse, something sinister has happened to Cross, and the key to his salvation is somehow directly tied to the Ebon Cities' new soldiers: a host of necrotic angels who bear traces of divine power. Cross and his team must travel across a blighted wilderness and do battle with a vile array of enemies as they race not only to save the city of Thornn from total annihilation, but to rescue Cross' very soul from an enemy more powerful than he could ever imagine...

This hilarious Southern retelling of Jane Austen's Pride and Prejudice tells the story of two hard-headed Civil war historians who find that first impressions can be deceiving. Shelby Roswell, a Civil War historian and professor, is on the fast track to tenure—that is, until her new book is roasted by the famous historian Ransom Fielding in a national review. With her career stalled by a man she's never met, Shelby struggles to maintain her composure when she discovers that Fielding has taken a visiting professorship at her small Southern college. Ransom Fielding is still struggling with his role in his wife's accidental death six years ago and is hoping that a year at Shelby's small college near his hometown of Oxford, Mississippi, will be a respite from the pressures of Ivy League academia. He never bargained for falling in love with the one woman whose career—and pride—he injured, and who would do anything to make him leave. When these two hot-headed southerners find themselves fighting over the centuries-old history of local battles and antebellum mansions, their small college is about to become a battlefield of Civil War proportions. With familiar and relatable characters and wit to spare, Pride, Prejudice and Cheese Grits shows you that love can conquer all...especially when pride, prejudice, love, and cheese grits are involved!
