Esa Saari is a hockey player for the New York Blades with a bad-boy rep both on and off the ice. But when he suddenly becomes the guardian of his eight-year-old niece, Nell, he knows his excessive lifestyle is about to get body checked. So he hires a live-in nanny. Her name is Michelle Beck, and she gets along great with Nell. What surprises him, though, is that he instantly hits it off with her, too. Getting romantically involved would be a bad idea, but he's finding it impossible to ignore the intense connection between them. Michelle, however, takes her job very seriously, and must decide whether to listen to her head or her heart. And Esa's got to decide if he can give up his bad-boy image for the love of a good woman...

When persistent sports publicist Janna MacNeil butts heads with hockey team captain Ty Gallagher, they don't just crack the ice--they melt it.

To the deep disappointment of her large family, PR princess Theresa Falconetti never dates Italians, men from her old Brooklyn neighborhood, or professional athletes. Michael Dante, winger for the Stanley Cup champion New York Blades, is all three--and he is head over heels for her. So when Theresa finds herself a buttoned-up lawyer, Michael is forced to take his game to the next level.

"I am the grandson of Bishop Sam Mullet, who was arrested for the Amish beard-cutting attacks. This is my story." Beard-cutting attacks on Amish people in the middle of the night. Five incidents. Nine victims. How could members of a Christian tradition known for peace and forgiveness enact such violence? What could make members of one Amish group turn against other Amish? In *Breakaway Amish*, Johnny Mast tells in riveting detail how his Amish community became increasingly isolated from other Amish people, and how the wishes and edicts of his grandfather, Bishop Sam Mullet, overtook daily life in the group. Over time, members became convinced that cutting their own hair was a sign of repentance and remorse. When that conviction led them to cut off the beards of those outside their community, however, it was more than a strange religious ritual. It was a crime. Here is an eyewitness account of the disturbing events at Bergholz, an Amish community gone awry. Yet redemption dwells even here, in the bravery and conviction of one who chose to break free.

Investigating the theft of an old samurai sword forged by a legendary smith who infused the weapon with magical powers, Tokyo police officer Mariko Oshiro finds herself threatened by the power of the blade in unexpected ways.

But when the cosmic wires get crossed, into her life walks a clean-cut fireman who's anything but her type. Sean Kinnealy doesn't know what to make of his pretty neighbor who burns incense. He only knows that being near her sparks a fire in him that even the guys at Ladder 29, Engine 31 can't put out.
