Through easy-to-follow lessons, this handy book offers a complete class on digital photography, tailored specifically for people who use the Canon EOS Digital Rebel T1i/500D. This is not your typical camera guide: rather than just show you what all the buttons do, it teaches you how to use the Digital Rebel's features to make great photographs -- including professional-looking images of people, landscapes, action shots, close-ups, night shots, HD video, and more. With Ben Long's creative tips and technical advice, you have the perfect, camera-bag-friendly reference that will help you capture stunning pictures anywhere, anytime. The Canon EOS Digital Rebel T1i/500D Companion will show you how to: Take creative control and go beyond automatic settings Learn the basic rules of composition Capture decisive moments, including fast-moving objects Discover ways to use a flash indoors and outdoors Learn about different lenses, and the best time to use them Understand the options for shooting RAW, and whether it's right for you Use the Digital Rebel's ability to shoot high definition video

This book is for anyone who upgrades from their point-and-shoot or first DSLR to a Canon Rebel T1i/500D and wants to get the best shots possible but isn't sure what to do next. There's the manual, of course, as well as competing books, and while they all tell camera owners, often in 400+ pages, what the camera can do, none of them shows them exactly how to use their camera to create great images! This book has one goal: to teach Canon Rebel T1i/500D owners how to make great shots using their Canon camera. It teaches them how to use their T1i/500D to create the type of photographs that inspired them to buy the camera in the first place. Everything in the book is in service of creating a great image. Starting with the top things they need to know about their camera, the author then carefully guides readers through the modes of the camera. Users will get practical advice from a pro on which settings to use when, great shooting tips, and even end-of-chapter assignments that will allow T1i/500D owners to immediately put to use all the great info in each chapter.

By photographers for photographers, Magic Lantern Guides help you get the most from your gear. Written specifically for each individual model, these books don't water down the hard-core information with general how-tos: they cover every feature and menu option in easy-to-follow language; unravel the mysteries of flash; and offer expert explanations of how to use a camera's special functions. And now, they're totally redesigned, in full colour and looking better than ever!
