Live a well-balanced life So jump in today and gain the skills and knowledge you need to be a real man in the 21st century.

To some, the
Page 38/60

Online Library

Car Engines

Parts And Functions

concept of having faith in a higher power or a set of religious beliefs is nonsensical.

Indeed, many view religion in general, and Christianity in particular, as unfounded and unreasonable.

Norman Geisler and Frank Turek argue, however,

Online Library

Car Engines

Parts And Functions

that Christianity is not only more reasonable than all other belief systems, but is indeed more rational than unbelief itself. With conviction and clear thinking, Geisler and Turek guide readers through some of the traditional,
