In this series of commentaries J. Krishnamurti, one of the great thinkers of our time, touches upon many human problems-our hopes, our fears, our illusions, our beliefs, our prejudices-and in the simplest language seems to pierce to their roots."The sheer simplicity is breathtaking. The reader is given, in one paragraph, often in one sentence, enough to keep him exploring, questioning, thinking for days." -Anne Morrow Lindbergh."The insight, spiritual and poetic, of these commentaries is as simply expressed as it is searching in its demand."-Times Literary Supplement (London)."Krishnamurti is no other than he seems, a free man, one of the first quality, growing older as diamonds do but the gem-like flame not dating, and alive in these Commentaries. It is a treasure."-Francis Hackett, The New Republic

When Krishnamurti's Notebook first became available in 1976, it was soon realized that it was a spiritually unique document giving his perceptions and experiences and describing his states of consciousness. It is a kind of diary but one that is little concerned with the day to day process of living, though very much aware of the natural world.

Inspired By Krishnamurti's Belief That Truth Is Found Through Living, The Book Of Life Presents 365 Timeless Daily Meditations, Developed Thematically Over Seven Days, Illuminating The Concepts Of Freedom, Personal Transformation, Living Fully Awake And Much More. For Everyone Who Has Come To Cherish The Wisdom Of This Extraordinary Spiritual Sage As Well As Anyone Discovering Krishnamurti For The First Time The Book Of Life Is A Profound Collection Of Insights To Treasure Everyday. The Story Of Mankind Is In You, The Vast Experience, The Deep-Rooted Fears, Anxieties, Sorrow, Pleasure And All The Beliefs That Man Has Accommodated Throughout The Millennia. You Are That Book. J. Krishnamurti

"The material contained in this volume was originally presented in the form of talks to students, teachers and parents in India, but its keen penetration and lucid simplicity will be deeply meaningful to thoughtful people everywhere, of all ages, and in every walk of life. Krishnamurti examines with characteristic objectivity and insight the expressions of what we are pleased to call our culture, our education, religion, politics and tradition; and he throws much light on such basic emotions as ambition, greed and envy, the desire for security and the lust for power — all of which he shows to be deteriorating factors in human society." From the Editor's Note "Krishnamurti's observations and explorations of modern man's estate are penetrating and profound, yet given with a disarming simplicity and directness. To listen to him or to read his thoughts is to face oneself and the world with an astonishing morning freshness." Anne Marrow Lindbergh
