In Ben Coes' latest, Eye for an Eye, Dewey Andreas faces the toughest odds of his life as one of China's most powerful men has decided to do whatever he must to take down Dewey—and inflicts a horrifying loss. When Dewey Andreas uncovers the identity of a mole embedded at a high level in Israel's Mossad, it triggers a larger, more dangerous plot. The

mole was the most important asset of Chinese Intelligence, and Fao Bhang, head of China's Ministry of State Security (MSS), responds to the discovery and brutal elimination of the mole, by immediately placing a kill order on the man responsible—Dewey Andreas. Dewey is tracked to Argentina, where he is on vacation with his fiancée, Jessica Tanzer, a U.S. National Security Advisor. A top-level kill team is sent in quickly and quietly, but their attack fails to take out Dewey. The collateral damage, however, is both horrifying and deeply personal. With nothing left to lose, Andreas is determined to have his revenge. Once he learns who is probably behind the attack—and why they are after him—Dewey goes rogue, using all of his assets and skills to launch a counterattack. Andreas must now face the full weight and might of the MSS, Chinese Intelligence, and the formidable Fao Bhang, if he's to achieve his one last goal: revenge on a biblical scale, no matter the odds or the armies that he will have to fight his way through. Andreas—former Army Ranger and Delta—is a man of great skills and cunning. His opponent, Fao Bhang, is ruthless, determined, and with no limit to the assets at his disposal. In this conflict, there are only two possible outcomes. And only one Dewey Andreas.

Learning that Iran has completed its first nuclear device and is plotting to destroy Tel Aviv, Dewey Andreas, a former SEAL and Delta, seeks to repay a life debt to Israeli commando Kohl Meir by participating in a plot to hijack the nuclear device.

Deep within the Pentagon, a covert, multi-billion arms-for-influence program was created. The objective was to protect the United States and its allies from terrorist acts by secretly enabling a hand-picked man to emerge as the most powerful leader in the Middle East. But the charismatic Tristan Nazir double-crosses America, twisting the program for his own violent ends to create ISIS. Now America is at great risk. Elite operative Dewey Andreas is sent to Syria to retrieve details about the source of ISIS's funding but his cover is blown mid-operation and chaos erupts in the streets of Damascus. Trapped and outnumbered, Dewey manages to send proof of the awful truth—unknown at even the highest levels in the government—that ISIS's munitions were indeed provided by America itself. This information arrives in time to for the U.S. to cut off a final arms shipment before it reaches ISIS. But the vicious Nazir, is far from finished. He launches a bold strike into the heart of America, sending a terrorist cell to take over a dorm at Columbia University, capturing hundreds of college students as hostages. For every hour that the shipment of weapons is withheld, the terrorists will publicly execute one student. The potential loss of life is intolerable. A frontal assault is impossible. Releasing the shipment is unthinkable. There is nowhere to turn... In a situation with no solutions, there remains only one option—Dewey Andreas.

They've already taken out the Speaker of the House—whose death was made to look like an accidental drowning—and the president and vice president are next. Once they have their own people in place, they plan to start a bloody, brutal war on an unimaginable scale. On restricted duty while he recovers from injuries incurred on a previous mission, Dewey Andreas is sent to Paris by CIA Director Hector Calibrisi. The Secretary of State is going there for secret talks, and Dewey is to be an extra layer of security above the State Department team. But what should be an easy mission couldn't go more wrong. The cabal has sent in a hit man to take out the Secretary of State and lay the blame for this murder at the feet of Dewey himself. With the Secretary of State dead, shot by Dewey's weapon, Dewey is on the run and out in the cold, desperately trying to unravel the plot before the conspirators succeed in killing millions of innocents.
