Well that is the case with this book. Maybe it was Drake, the sexy Alpha Male, who can be sweet and dangerous to the core. Or Georgia, who was looking for love and family, or perhaps its the exceptional writing that made the characters and story feel so real to me. I..love..this..book! Can't wait to read "Desired Too".

Angel is Drake's cousin and was in the Desired 1 book. Raquel is the feisty, independent woman he falls in love with, and boy does he fall head over heels for her! Their chemistry was fantastic and I loved the way Raquel was able to be her own person with Angel, even though he was a controlling alpha man.

Can they overcome the many obstacles in their lives and learn to love and trust each other, or will their life struggles keep them apart?

He's addicted to her. The mere thought of her brings Mason to his knees. There is no other woman in the

world that he wants. Max can't believe that she met a passion-filled man that makes her body yearn for things she's only dreamed about. He's ruined her, making him the only man that she wants. Mason West, an ex-Navy Seal turned Amateur MMA fighter, is battling the darkness of the life he left behind. Finding the will to fight back in a woman that completes him was not something that he expected, but it seemed fate had other plans. All Maxine Shaw wanted to do was graduate, become a nurse for the best sports rehabilitation center in the country, and finally achieve the goals she set for herself. Once she catches a glimpse of Mason West, an Alpha male to the core, he awakens a fire inside of her that she never thought existed. The sparks between these two ignite bottomless passion and enduring love that shifts their goals in a way neither suspected. Before Mason and Max can embark on a journey of happily ever after, the strength of their love gets tested. Will this passionate pair be able to survive what fate has in store?

Angel and Raquel possess two very strong personalities separately. They are alphas to the core. The problem comes when these two fire-filled individuals come together. One needs to be in control while the other refuses to be controlled. Angel Leonetti, the complete Alpha Male "Let me first address this 'using you' shit that you mentioned. To be clear, I asked you to be on the team for no other reason but that I trust you. You were actually the only one I trusted in that meeting, besides my father. I don't know what's up with Victor. I haven't a clue where the hostility he displayed stemmed from, but, best believe, if he says anything to me again, I won't hold back. He has you to thank for him breathing without assistance right now. Consider this his reprieve." Angel moved closer to her, as he continued, "And that ultimatum bullshit you just spat at me; that's not an option. I'm growing tired of repeating myself. I've told you already that you are who and what I want. I won't say it again." Raquel Waters, the uncontrollable Alpha Female... No matter how she felt about him, how much she wanted him, she wasn't taking his controlling caveman ways lightly. "You are so full of shit! You and I haven't seen or spoken to each other in three years; three-long-years. You know nothing about me, and I don't know shit about you. All I can say is that we know how to fuck each other's brains out with a skill that should be taught to the masses, but that's it. So what!" She moved closer to him. "I went away and grew up. I have likes and dislikes that you have no clue exist. So if you think I'm just going to sit here and let you claim me without me having something to say about it, you're sadly mistaken." Angel can't live without this woman. He refuses to. He's determined to have her no matter what. Raquel equally has a need that only Angel can fulfill. She wants him, there's no doubt about that. However, she doesn't want to sacrifice who she is to get what she wants. Will Angel be able to break down the walls of the woman he's desired since the moment they met? Will Raquel be able to surrender her free will for the man that has managed to dominated her mind, body, and soul? Can these two find a way to be together or will their fire consume them both?

Her... Darkness wants me. I've been surrounded by darkness since the day I was born. It is all I've ever known. It consumes me, it suffocates me, and no matter how far I run, darkness is always at my heel threatening to devour me. My darkness is... fear! I never believed I could feel anything else until the moment he touched me. He has given me hope. He has allowed me to dream, to want, to desire more than I have ever thought possible. He's my protection... my safety... my future... I am his. But darkness always has a way of creeping up and casting its shadow. Will it consume me or will his love be strong enough to keep me in the light? Him.... She's my obsession and I can't seem to get her off my mind. It drives me crazy but I think about her constantly. I want her. No, I need her. I crave everything about her; her touch, her taste, her smile, her eyes, and her innocence. Just being close to her turns me on. No woman has ever made me feel this way and I can't get enough. I have to have her. Her body, her heart, her mind, and her desires belong to me. No one can ever take what's mine and make no mistake she IS mine. I know she has a past and I know she has secrets, but no matter what comes our way I will fight for her. Her secrets I can handle but with such uncertainty from her past, will it finally catch up to her and destroy the new life she has built before I can save her?
