The legendary comedian presents the contents of her diary, offering insights, quips, musings, and critiques on her daily life, pop culture, and celebrities.

From the headline-making, New York Times bestselling author of I Hate Everyone...Starting With Me comes another intimate glimpse into the delightfully hilarious mind of Joan Rivers. When her daughter Melissa gives her a diary for Christmas, at first Joan is horrified—who the hell does Melissa think she is? That fat pig, Bridget Jones? But as Joan, being both beautiful and introspective, begins to record her day-to-day musings, she realizes she has a lot to say. About everything. And everyone, God help them. The result? A no-holds-barred, delightfully vicious and always hilarious look at the everyday life of the ultimate diva. Follow Joan on a family vacation in Mexico and on trips between New York and Los Angeles where she mingles with the stars, never missing a beat as she delivers blistering critiques on current events, and excoriating insights about life, pop culture, and celebrities (from A to D list), all in her relentlessly funny signature style. This is the Diary of a Mad Diva. Forget about Anais Nin, Anne Frank, and Sylvia Plath. For the first time in a century, a diary by someone that’s actually worth reading.

You know what she said out loud. Can you imagine what she wrote in her diary? Celebrate the hilarious wit of the great diva Joan Rivers; even her funeral was as glamorous as her. Following up the phenomenal success of her headline-making hit I Hate Everyone, Joan Rivers was at it again. When her daughter Melissa gave her a diary for Christmas, at first Joan was horrified, who the hell does Melissa think she is? That fat pig, Bridget Jones? But as Joan, being both beautiful and introspective, begins to record her day-to-day musings, she realises she has a lot to say.

“An entertaining rant...The only thing missing is the sound of a drumroll and cymbals to feel as though one is sitting in a nightclub watching a live comedy marathon...A raucous, biting look at life.”—Kirkus Reviews “Nobody, but nobody, can hate like Joan Rivers. It is a gift. It is also shocking, the things she makes us laugh at...Joan Rivers is extraordinary, but she's not for the easily offended—or for anyone who gets offended at all.”—People Joan Rivers, comedienne, actress, jewelry monger, and an award-winning international star (she can sneer in eight different languages) lives by her own golden rule: Do unto others before they do unto you—and for God’s sakes, do it funny! Her career in comedy may have begun with self-loathing, but, after looking at the human decrepitude around her, she figured Why stop here when there are so many other things to hate? With all of her diverse experiences, Joan has looked down at, turned away from, and thrown up over a lot of hateful things, deplorable places, and despicable people. Thank God she took notes. Here—uncensored and uninhibited—Joan says exactly what’s on her mind...And HER mind is a terrible thing to waste. She proudly kicks the crap out of ugly children, dating rituals, funerals, and lousy restaurants. She nails First Ladies, closet cases, and hypocrites to the wall. She shows no mercy towards doctors and feminists, and even goes after Anne Frank and Stephen Hawking. Joan lets everyone—including herself—have it in this one hundred percent honest and unabashedly hilarious love letter to the hater in all of us.

Survival stratagems from Joan Rivers Whatever doesn't kill you makes you stronger. And always remember: Surviving is the best revenge Look at Alexander Graham Bell, who did 22,000 experiments before he hit on the telephone. Just a few more and he would have had call waiting. Whenever I hit bottom, the only thing I think of was set down by Jerome Kern: Pick myself up, dust myself off and start all over again. Dr. Kevorkian will get no call from me, unless I think he'd look good in a brooch. A fiercely honest and moving story of how Joan Rivers, one of comedy’s greatest stars, survived the worst that life could throw at her, how she hit bottom and then made it back to the top.

Originally published: New York: Dutton, 1989.

This New York Times bestseller is a hilarious and inspiring tribute to the iconic comedian Joan Rivers by the person who knew her best—her daughter, Melissa. Joan and Melissa Rivers had one of the most celebrated mother-daughter relationships of all time. If you think Joan said some outrageous things to her audiences as a comedian, you won’t believe what she said and did in private. Her love for her daughter knew no bounds—or boundaries, apparently. (“Melissa, I acknowledge that you have boundaries. I just choose to not respect them.”) In The Book of Joan: Tales of Mirth, Mischief and Manipulation, Melissa shares stories (like when she was nine months old and her parents delivered her to Johnny Carson as a birthday gift), bon mots (“Missy, is there anything better than seeing a really good looking couple pushing a baby that looks like a Sasquatch who got caught in a house fire?”), and life lessons from growing up in the Rosenberg-Rivers household (“I can do tips and discounts and figure out the number of gay men in an audience to make it a good show. That’s all the math you’ll ever need.”). These were just the tip of the iceberg when it came to life in the family that Melissa describes as more Addams than Cleaver. And at the center of it all was a tiny blond force of nature. In The Book of Joan, Melissa Rivers relates funny, poignant and irreverent observations, thoughts, and tales about the woman who raised her and is the reason she considers valium one of the four basic food groups.

Joan Rivers is an enduring icon of the 20th century, and her wildly popular humor has appealed to generations of fans. With a career that began in the late 1950s, Joan kept mementos over the course of her entire working life, and Joan Rivers Confidential is a compilation of never-before-seen personal archives. Assembled by her daughter Melissa with Scott Currie, the book contains scripts and monologues, letters from famous friends, exchanges with fans, rare photographs, as well as classic and never-before-heard jokes—many simply scribbled on everything from hotel stationery to airplane boarding passes. Touching on subjects from her 50 years in show business (The Tonight Show, Las Vegas, Elizabeth Taylor, Heidi Bromowitz, the red carpet, and Fashion Police), this is a revelatory and humor-filled insider look at the popular, multitalented comedian.
