Debut writer Rachel M Wilson drew upon her own experiences with OCD in DON'T TOUCH to get inside Caddie's head and thought process to give an authentic depiction of the anxiety associated with OCD. Though Caddie had been treated for her mental illness, she hadn't seen her therapist for about a year, which struck me odd as her behaviors spiraled out of control.

When her parents split up, Don't touch becomes Caddie's mantra. Maybe if she keeps from touching another person's skin, Dad will come home. She knows it doesn't make sense, but her games have never been logical. Soon, despite Alabama's humidity, she's covering every inch of her skin and wearing evening gloves to school.

Review: Don ' t Touch by Rachel M. Wilson. By Amalie Greenway on January 2, 2015 Reviews. Article. Content. Thirty minutes into reading Don ' t Touch, I went to look up the author ' s bio and confirm what I already suspected: like me, Rachel M. Wilson has Obsessive Compulsive Disorder. I ' m not saying it ' s impossible to write well about a disability if you don ' t have it.

Don't Touch, Book by Rachel M. Wilson (Hardcover) | www ...

September 2nd sees the release of Rachel M. Wilson ' s debut Don ' t Touch, a contemporary YA novel from HarperTeen about a girl whose OCD is endangering her aspirations of becoming an actress. For our one-year anniversary, we invited Rachel to the blog to discuss the book.

Step on a crack, break your mother's back, Touch another person's skin, and Dad's gone for good . . . Caddie has a history of magical thinking—of playing games in her head to cope with her surroundings—but it's never been this bad before. When her parents split up, Don't touch becomes Caddie's mantra. Maybe if she keeps from touching another person's skin, Dad will come home. She knows it doesn't make sense, but her games have never been logical. Soon, despite Alabama's humidity, she's covering every inch of her skin and wearing evening gloves to school. And that's where things get tricky. Even though Caddie's the new girl, it's hard to pass off her compulsions as artistic quirks. Friends notice things. Her drama class is all about interacting with her scene partners, especially Peter, who's auditioning for the role of Hamlet. Caddie desperately wants to play Ophelia, but if she does, she'll have to touch Peter . . . and kiss him. Part of Caddie would love nothing more than to kiss Peter—but the other part isn't sure she's brave enough to let herself fall. From rising star Rachel M. Wilson comes a powerful, moving debut novel of the friendship and love that are there for us, if only we'll let them in.

From Rachel M. Wilson, author of *Don't Touch*, comes an eerie and utterly compelling short story about best friends Leslie and Evy, whose friendship changes when the enigmatic Marsh brothers move to town. Nina LaCour, author of *Everything Leads to You*, *Hold Still*, and *The Disenchantments*, called Rachel M. Wilson's debut novel, *Don't Touch*, "a tender love story about the beauty and the risk of showing someone who you really are," while Tim Wynne-Jones, author of *Blink & Caution*, hailed it as "fiercely compelling, darkly funny, and [a novel that] hums like a high-tension wire with energy." Epic Reads Impulse is a digital imprint with new releases each month.

A poetic portrait of faith, futility, and the joy of this mortal life. In this astoundingly unique book, bestselling author N.D. Wilson reminds each of us that to truly live we must recognize that we are dying. Every second we create more of our past—more decisions, more breathing, more love and more loathing, all of it slides by into the gone as we race to grab at more moments, at more memories made and already fading. We are all authors, creators of our own pasts, of the books that will be our lives. We stare at the future or obsess about the present, but only the past has been set in stone, and we are the ones setting it. When we race across the wet concrete of time without purpose, without goals, without laughter and love and sacrifice, then we fail in our mortal moment. We race toward our inevitable ends without artistry and without beauty. All of us must pause and breathe. See the past, see your life as the fruit of providence and thousands of personal narratives. What led to you? You did not choose where to set your feet in time. You choose where to set them next. Then, we must see the future, not just to stare into the fog of distant years but to see the crystal choices as they race toward us in this sharp foreground we call the present. We stand in the now. God says create. Live. Choose. Shape the past. Etch your life in stone, and what you make will be forever.

I haven't left my house in over a year. My doctor says it's social anxiety, but I know the only things that are safe are made of paper. My room is paper. My world is paper. Everything outside is fire. All it would take is one spark for me to burst into flames. So I stay inside. Where nothing can touch me. Then my mom hires a tutor. Jackson. This boy I had a crush on before the world became too terrifying to live in. Jackson's life is the complete opposite of mine, and I can tell he's got secrets of his own. But he makes me feel things. Makes me want to try again. Makes me want to be brave. I can almost taste the outside world. But so many things could go wrong, and all it takes is one spark for everything I love to disappear...

Folksy and fresh, endearing and affecting, *Fried Green Tomatoes at the Whistle Stop Cafe* is a now-classic novel about two women: Evelyn, who's in the sad slump of middle age, and gray-headed Mrs. Threadgoode, who's telling her life story. Her tale includes two more women—the irrepressibly daredevilish tomboy Idgie and her friend Ruth—who back in the thirties ran a little place in Whistle Stop, Alabama, offering good coffee, southern barbecue, and all kinds of love and laughter—even an occasional murder. And as the past unfolds, the present will never be quite the same again. Praise for *Fried Green Tomatoes at the Whistle Stop Cafe* “A real novel and a good one [from] the busy brain of a born storyteller.” —*The New York Times* “Happily for us, Fannie Flagg has preserved [the Threadgoodes] in a richly comic, poignant narrative that records the exuberance of their lives, the sadness of their departure.” —Harper Lee “This whole literary enterprise shines with honesty, gallantry, and love of perfect details that might otherwise be forgotten.” —*Los Angeles Times* “Funny and macabre.” —*The Washington Post* “Courageous and wise.” —*Houston Chronicle*

The gripping first installment in New York Times bestselling author Tahereh Mafi's *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But *The Reestablishment* sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

Barricaded in Cortège High with five other teens while zombies try to get in, Sloane Price observes her fellow captives become more unpredictable and violent as time passes although they each have much more reason to live than she has.

Told in alternating "Before" and "After" chapters, Kam's novel focuses on the events leading up to and just after Cass's best friend Devin's body is found at the bottom of a local ravine. Part realism, part ghost story, and part coming-of-age tale, this young adult novel will draw you in and keep you turning pages until the dramatic conclusion.

In this “raw and well-crafted (Kirkus Reviews)” romance, Bea learns that some things just can't be controlled. When Bea meets Beck, she knows instantly that he's her kind of crazy. Sweet, strong, kinda-messed-up Beck understands her like no one else can. He makes her feel almost normal. He makes her feel like she could fall in love again. But despite her feelings for Beck, Bea can't stop thinking about someone else: a guy who is gorgeous and magnetic...and has no idea Bea even exists. But Bea spends a lot of time watching him. She has a journal full of notes. Some might even say she's obsessed. Bea tells herself she's got it all under control. But this isn't a choice, it's a compulsion. The truth is, she's breaking down...and she might end up breaking her own heart.
