Explains the meaning and significance of numerous dream images and provides guidelines for interpreting dream sequences

The average person will dream over 150,000 dreams in a lifetime--each one a complex web of imagery and deeper meaning. The Complete Dream Book uses the interpretation of 28,000 actual dreams from contemporary dreamers, just like you, to help you access the substance and meaning of your own dreams. Discover: --Who's who in your dreams --Which dreams recur during certain life stages --The true meaning behind your nightmares --Why you have certain dreams again and again --How to tell if a dream is worth interpreting--and if you've done it correctly --The phenomenon of precognitive dreams The Complete Dream Book is the only dream interpretation book based on concrete data about real people's dreams and how the real events in their lives relate to their nighttime visions.

Your dreams are messages direct from the unconscious--so awaken yourself to their significance through correct analysis. Since a dream can have many interpretations depending upon your personal situation, each of the 1,300 alphabetically listed entries provides up to three meanings for each element--symbolic, psychological, and visionary--and then further distinguishes it by context. Because sometimes a cigar is only a cigar; but it could mean you are afraid of reality, about to conclude a business deal, or undergoing sexual urges!

Unravels dream symbols and their meanings What do reoccurring dreams reveal? What's the purpose of nightmares—and can they be stopped? Why do some people show up in dreams? Are some dreams actually warnings? Going beyond superficial explanations, The Dream Interpretation Dictionary: Symbols, Signs and Meanings brings a deep and rich understanding to a variety of images, signs, and symbols. It considers the context to help anyone complete their own personal jigsaw puzzle. It provides the tools to allow anyone to sort through possible connections and to make sense of their dreams. From entries ranging from "Abandonment" to "Zoo," this massive tome analyzes sex dreams, money dreams, dreams of falling, running, or paralysis and much, much more. It brings profound insights to thousands of dream messages. It shows what to look for and what to ignore and teaches how to master dream interpretation. Examples of symbols are given. The complexity and context of a dream are explored. Signs and their meanings are illustrated. Illuminating the intelligence of dreams, decoding clues, explaining symbols, and revealing the universal meanings of each as well as their subtler associations, The Dream Interpretation Dictionary: Symbols, Signs, and Meanings explores the messages delivered by the unconscious mind during sleep. It examines how dreams connect to daily life. It shows how dreams can lead to deeper understanding and self-awareness. Also included are a helpful bibliography and an extensive index, adding to the book 's usefulness.

If you've ever woken up wondering, "What was that about?" this fascinating dream dictionary with over 12,000 definitions will explain everything and enable you to become your own dream expert. By exploring your dreams in a deeper way, you'll reach a profound understanding of what you really want in life — and work out how to achieve it. Whether you dream about flying above canyons, your teeth dropping out, missing the bus, or standing naked in a crowded room, psychologist and author Ian Wallace will help you understand what your unconscious is trying to tell you and how you can use your dreams to help you live a richer and more fulfilling life. By exploring your dreams in this practical way, you'll reach a deeper understanding of what you really want in life — and work out how to achieve it. Ian Wallace pairs these definitions with his completely original Dream Connection Process, which is being shared here for the first time. Through this process, developed by Ian, the dreamer can connect the imagery and symbolism that they create in their dreams to situations and opportunities in waking life, using this awareness to make a valuable difference in their lives. The Complete A to Z Dictionary of Dreams: Be Your Own Dream Expert also contains background information on dreams and dreaming, answering questions such as: What is a dream? Why do we dream? How do I remember my dreams? What do my dreams mean? What are symbols and where do they come from? In this comprehensive and easy to use guide, Ian Wallace articulates the complex psychological principles of dreaming in a very straightforward and engaging manner. He puts the power of the dream firmly in the hands of the dreamer so that they can understand the imagery that they create in their dreams and connect it to situations and opportunities in waking life.

What does it mean if you dream you're being chased by someone in a dream night after night? What if you're flying, or falling, or spitting out teeth? Should you be embarrassed if you happen to be walking through Grand Central Station in the nude? You dream every night, even if you don't remember your dreams. Dreams are an important key to self-discovery, offering insight, guidance, and inspirations. All dreams--even nightmares--contain positive messages. The trick is learning to decipher the symbolism so you can understand what your dreams are trying to tell you. The Dream Book: includes interpretation of 1,650 dream symbols, along with explanations of recurring dreams, prophetic dreams, violent dreams, dreams about snakes, aboutsex, money, death, and more. You'll also learn to remember your dreams more clearly and discover ways to use them to solve problems in waking hours.
