Dreams of a Highlander Summary How far would you go to find true love? A modern day vet travels hundreds of years into the past to find hers. Darcy Greenway has no time for love.

Stranded in time, she finds herself bonded to a handsome highlander... After traveling to Scotland for a solo artist's retreat, Fiona Stewart finds herself mysteriously transported to the fourteenth century. But as she attempts to get back to her own time, complications ensue when she meets a handsome highlander who sets her heart aflame... Forced into an engagement with the daughter of a rival clan leader, Eadan Macleay struggles to fulfill his promise to his dying father. When he comes across a strange lass claiming to be from the future, he strikes a deal with her. If she poses as his bride to end his betrothal, he will help her return to her own time. Amid their growing attraction and increasing danger from the rival clan, Eadan and Fiona must choose between love, duty, and the hands of fate... Start reading now! Kat Bastion's award-winning debut in the Highland Legends Series: Isobel MacInnes wakes up in present-day California, lunches in medieval Scotland, and by ten days' end, falls in love with a man and his country, only to lose them in a heart-wrenching twist of fate . . . Found in the arms of her second soul mate . . . Forced to balance the delicate strands of time between two millennia . . . Shocked by revelations rewriting the very foundations of history . . . of everything. Isobel, a rising-star archaeology student, is dropped into two ancient worlds without warning . . . or her permission. Her fiery spirit resists the dependency thrust upon her. Amid frustration at her lack of control, she helplessly falls in love. Twice. She struggles to adjust to the unimaginable demands of two leaders of men—a laird in the thirteenth-century Highlands and a Pict chieftain in a more ancient Scotland. Isobel transforms from an academic, hell-bent on obtaining archaeological recognition, to a woman striving to care for those she loves, and ultimately . . . into a fearless warrior risking everything to protect them.

When a magic spell awakens an ancient destiny, Marianne must use all her bravery to survive in the wild Scottish Highlands -- and take care of some unfinished business. Marianne Brownlee is running out of reasons to get up in the morning. Her unusual job has burnt her out, and she's been feeling out of touch with her faith, and her purpose since the disappearance of her cousin Cora. Marianne is a telephone psychic and tarot card reader, and in a last-ditch effort to reach out to Cora, she discovers that her spells have real power and that she has been transported back in time to the Scottish Highlands. Discovered wandering lost in the moors, Marianne is brought to the home of a woman who, in another lifetime, was her mother. Haunted by the tragic and unnatural fate of her ancestor, Marianne vows to seek revenge and right the wrongs done to her family. Reuniting with her cousin comes with bitter aftertaste, as Marianne's identity in this world comes with a dark secret that could put more lives than hers in danger. The MacClaran's want nothing to do with her quest for revenge, but Eamon MacClaran, a disgraced clan member with vengeance on his own mind could be the ally she has been seeking. But their quest may be over before it begins, as Eamon and Marianne find themselves caught in a race against time, and the power of the church, as Marianne discovers a plot that could spell disaster for everyone, including Cora and Audrina. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Kenzie Jacobs is fascinated by the portrait of the roguish Highlander, Black Ben, which hangs in her ancestral home. There's a mystery surrounding his death, and Kenzie longs to solve it by traveling through time to 17th century Scotland--and perhaps meet the gorgeous laird who haunts her dreams. Black Ben, Laird of Ross has vowed never to marry again. But Kenzie is more potent than whiskey. As confusing and crazy as she may seem, he can't get her out of his system. But there's no way they can ever work, as she does not fit into his plans. Kenzie has a life to get back to but leaving her favorite, though infuriating, Highlander behind, might be the toughest thing she'll ever have to do. Each book in the A Time Traveler's Highland Love series is STANDALONE: *To Conquer a Scot *To Save a Savage Scot

Triskelion is a medieval love story based on an actual legend from English folklore. Where the legend ends, the story begins... Lancashire, England, AD 1480 The story of England's last wolf plays a large part in Kate's life. The man who killed the wolf is her father, Sir John Harrington, lord and master of Wraysholme Manor. Strangely, though, her knowledge of the tale is all second-hand. Her father, for unknown reasons, refuses to speak of exactly what happened the day the wolf was killed. Nor will he speak of Kate's mother, who died soon after giving birth. So, Kate is left to wonder about her past, although lately her curiosity has been overshadowed by a series of unusual dreams. Indeed, her lonely heart has been captured by the handsome stranger who speaks to her in sleep. But he is not the only man who haunts her nights. There is another who lurks in the shadows of her subconscious. Who is he, and why does she feel so threatened by him? When Kate is brutally snatched from her home, she begins to understand the meaning behind her dreams and the incredible truth about her past. Her captor is a man void of emotion and without conscience, yet Kate finds herself irresistibly drawn to his dark charisma. As the reason for her kidnapping is revealed, Kate is faced with a decision. Will she find the courage to make the right choice? Can the love of a gentle heart hope to save an unfeeling and corrupted soul? Perhaps - especially if their destinies were preordained long ago. The death of the wolf, it seems, is part of an much older legend. Show less

One moment in time was all it took... She shouldn't be here... She can't even recall how she got here. Except for the dream. Mya Boyle remembers the dream. She knows it's somehow connected to her past, her present and the future. Mya woke one morning in a field, a stag grazing close by as if it didn't even notice her. She lay bare, like a babe from the womb, except for a wool blanket wrapped around her tightly. A grown woman with no memory, no family, no money, nothing. Kayden McGregor found her while hunting. He was after the stag and nearly shot her with his arrow instead. Unable to leave her to the wolves of his clan, he took her to his home. He resents her. She can't bare to look at him. Or stop herself from staring when he doesn't notice. Trapped, and yet somehow destined to be together. Remember enough of the past... You may be able to control your future. Moment in Time Series: #1 - Highlander's Bride #2 - Victorian Bride #3 - Modern Bride

Meg had thought that taking a commuter flight from Pasco, Washington to Boise, Idaho would be a simple matter. But nothing is simple for Meg when it comes to travel, and especially not when she finds herself in the Middle Ages again instead of in a plane crash on a mountain side in Oregon. And when the pilot takes off without her in a quest to return to the twenty-first century, Meg will need every last bit of maturity and knowledge she gained in the sixteen years she spent in the modern world--to survive even a day in this one. Winds of Time is a novella and book 1.5 in the After Cilmeri series: A note from the author: This story was started many years ago, as part of Footsteps in Time. When it came down to it, however, the story didn't fit with what was happening with David and Anna, and had to be put aside. Happily, I am now able to share the story of Meg's return to the Middle Ages. Thus, Winds of Time takes place between Part 1 and Part 2 of Footsteps in Time. I think you will enjoy Winds of Time more if you read Footsteps in Time first. Diolch yn fawr (thank you)! -Sarah

Thrown back in time to fulfill the promise of a dying woman, Audrina must find her destiny in the wild Scottish Highlands -- and discover the man that fate chose for her hundreds of years ago. Audrina James was only trying to stop the old brooch from being stolen; she didn't know that touching it would send her back in time to medieval Scotland! But the brooch belonged to Audrina's ancestor, a woman who died tragically on her wedding night and swore to her last breath that she would be reunited with her true love -- and Audrina is her mirror image. It's been one year to the day since Colin MacLaren's bride suffered and died at the whim of a bloody-handed English occupier. So how is she standing before him? No matter how adamant her protests that she doesn't know him -- no matter how crazy her story about coming from the future -- Colin is sure this woman is his lost love. Now if only he can convince her of that. Together they must navigate the vagaries of fate that brought them together, their own scorching physical attraction, and the ever-present danger from Colin's enemies... including a certain murderous English nobleman who knows Audrina must be a witch. After all, didn't he kill her with his own two hands? An ancient highlander who's never been allowed to love. A modern woman who keeps men at arm's length. Can their passion overcome their pasts? Althea Jarden's botanical fieldwork keeps her happily busy, but it has kept her from relationships as well-by design. Because deep passions can overwhelm her, she concluded long ago that a conventional life was not for her. She's learned to depend on herself. But all the self-reliance in the world can't prepare her for being taken to ancient Scotland and what she finds there. Chieftain Brennus Skaraven would like nothing better than to remain dead, his legendary clan buried and forgotten. Anything would be preferable to suffering the manipulations of the druids. But when a strange lass comes crashing into his life, he discovers more than a reason to live. He finds the one thing that had always been denied to him and his kind-love.
