The cold and aloof Marquess of Hawksfield is the worst peer in London. He has no friends, no fortune, and no time for fools. The dissolute ways of the ton disgust him. But when Archer assumes the identity of the mysterious and devilish Masked Marauder, he is free to do as he pleases. Sheltered heiress Lady Briannon Findlay is a wallflower, and prefers it that way. Until she meets the nefarious Masked Marauder, a gentleman thief waylaying carriages from London to Essex, who awakens sensual impulses she never knew she had. For fans of Lauren Kate's Fallen series comes the exciting conclusion to the trilogy that includes The Beautiful and the Cursed and The Lovely and the Lost. The Waverly sisters must save themselves before all is lost. Since the Waverlys arrived in Paris, the streets have grown more fearsome by the day. As Ingrid learns to master her lectrix gift, she must watch Axia's power grow strong enough to extend beyond her Underneath hive. By all indications, the fallen angel's Harvest is near--and the timing couldn't be worse. Targeted by vengeful gargoyles, Gabby has been exiled to London for her own protection. Meanwhile, the gargoyle castes are in disarray, divided between those who want Luc to lead them and those who resent him and his fondness for humans. The Alliance is crumbling from the inside as well, its members turning against one another, and possibly against the Waverlys, too. Axia has promised that the world will burn. An now, unable to trust the Alliance, separated from Luc, Gabby, and her twin, Grayson, Ingrid is left to face the demon uprising alone. It was bizarre and inexplicable, and after it happened, Ingrid Waverly was forced to leave her life in London behind. She had to trade a world full of fancy dresses and society events for exile in gothic Paris with her mother and her younger sister, Gabby. In Paris there are no grand balls or glittering parties, and disturbingly, the house rented by Ingrid's twin brother, Grayson, isn't a house at all. It's an abbey. A creepy, old abbey with a roof lined in stone gargoyles that could almost be mistaken for living, breathing creatures. And to top it all off, Grayson is missing. Yet no one seems to be concerned about Grayson's whereabouts save for Luc, a devastatingly handsome servant who has some deep and dark secrets of his own. There's one secret about the city that even Luc can't keep hidden, though: there's a murderer on the loose. And every day that Grayson is missing means there's less chance he's still alive. Ingrid is sure her twin isn't dead--she can feel it deep in her soul--but she knows that he's in grave danger, and that it's up to her and Gabby to find him before all hope is lost. And yet the path to him is more dangerous than she could ever imagine.
