based on the celebrated work of Expeditionary Learning Schools across the country. Student–Engaged Assessment is not a single practice but an approach to teaching and learning that equips and compels students to understand goals for their learning and growth, track their progress toward those goals, and take responsibility for reaching them. This requires a set of interrelated strategies and structures and a whole–school culture in which students are given the respect and responsibility to be meaningfully engaged in their own learning. Includes everything teachers and school leaders need to implement a successful Student–Engaged Assessment system in their schools. Outlines the practices that will engage students in making academic progress, improve achievement, and involve
