Fender Owner's Manual
This is the ultimate owner's manual for the world's most popular guitar! This is a step-by-step, heavily illustrated guide to everything about the legendary Fender electric guitar, the Stratocaster! It shows owners and dreamers the basics of selecting and buying Strats; maintenance and repairs such as tuning, setting intonation, tremolo alignment, fret repairs, and bridge and nut adjustments; electrical troubleshooting; spur-of-the-moment stage-side fixes; and some basic "performance" enhancements such as adding "hot rod" Fender and aftermarket pickups, locking-tremolo nuts, and more. Let world-renowned guitar expert Terry Burrows be your guide to this awesome instrument. Gorgeous shots of Fender guitars and guitar parts and images of well-known musicians playing Stratocasters make this a book no fan will want to miss.

Fender Stratocaster
Leo Fender launched the Stratocaster electric guitar in 1954, as an upgrade to his revolutionary Telecaster. The 'Strat' - streamlined, chrome-plated, efficient, fast and sexy - soon gained icon status. This practical 'how to' manual focuses on the 'Strat'.

Sailing Handbook
Owning a boat involves sailors developing a whole new skill set and taking on a raft of new responsibilities, but this essential handbook takes the stress out of what should be an enjoyable, rewarding next step, and shares a wealth of practical advice on what might initially seem daunting new challenges. Drawn from over 35 years of the author's own experiences, this book is packed with expert wisdom and hand-holding guidance on every aspect of owning, equipping, maintaining, sailing and - of course - enjoying your first boat. Topics covered include: Choice of boat; Insurance; Assessing (and costing) moorings and berths; Navigation and safety equipment; Domestic equipment (galley, bedding, clothing, etc); Navigation (including in fog); Manoeuvring in close spaces; Sources of weather information and forecasts; Responsibilities towards crew; Catering and cooking; Maintenance advice (daily tips, winterising, engine servicing, fitting out for spring, etc); Paperwork (including customs forms); Dealing with emergencies; and more. Filled with colour photos and diagrams throughout, this comprehensive guide is indispensable for new skippers who have learned to sail at a sailing school or on a friend's boat and are ready to take the next step.

Acoustic Guitarists
(String Letter Publishing). Acoustic guitarists can now better understand their instruments, preserve and protect their value, and get the sounds they really want, thanks to this new book from the experts at Acoustic Guitar magazine. This indispensable guide begins by acquainting players with their instruments and laying to rest some pervasive guitar myths, then proceeds through various aspects of basic care, setup, common repairs, and pickup installation. Whether it's cleaning and polishing a beloved guitar, protecting it from theft or changes in humidity, selecting a case, or performing diagnostics, readers will become more savvy acoustic guitar owners and repair-shop customers and can forego dubious advice from well-meaning friends and anonymous "experts" on the Web. Includes a primer and glossary of terms.
