!Hi, can we be friends?! How have you handled this common question so far? Friendship is a journey. Strangers of yesterday can become best of friends tomorrow. However, after these strangers become casual friends, they may migrate into closer friendships. This journey for some cumulates into cordial business relationships, others into bubbling love and romance, but sadly, most of them end up in shock and regret. didn't know that she was that kind of person, the guys would often say. He was only looking for sex, the ladies would often conclude. How do we choose friends, especially those of the opposite sex? How can we maintain godly relationships, avoid heart breaks and handle platonic friendships? Many promising relationships are destroyed for lack of intelligent foresight, misplaced ideology about male/female sexuality, and abuse of human intimacy. Hi, Can we be friends? peels out layer by layer the complex process of defining the reason why a particular guy or girl comes into your life. It empowers you to harvest the potentials of relationships while putting your excesses in check. This book provides practical answers to a growing nagging nightmare of how to stand for purity amidst a sex-hyped generation. It's practical, friendly and dynamic approach makes it a must-read for all.

American MORE! Six-Level Edition is a version of a course from a highly respected author team that's bursting with features for lower secondary students. Each level of American MORE! contains 50-60 hours of class material. With dedicated reading, culture, grammar, vocabulary, skills and cross-curricular learning sections, plus a wide range of flexible components, you really do get more with American MORE! The Teacher's Resource Book contains detailed guidance on how to get the best out of the course, warm-up activities, photocopiable grammar and communication resources, tests and answer keys, and 'Extra' idea sections for fast finishers. The test material is contained on the Testbuilder CD-ROM, together with the audio for the tests.

Complete IELTS combines the very best in contemporary classroom practice with stimulating topics aimed at young adults wanting to study at university. The Student's Book with answers contains 8 topic-based units with stimulating speaking activities, a language reference, grammar and vocabulary explanations and examples, to ensure that students gain skills practice for each of the four papers of the IELTS exam. The with Answers edition contains recording scripts for the listening material and complete answer keys. It also includes a complete IELTS practice test to allow students to familiarise themselves with the format of the exam. The CD-ROM contains additional skills, grammar, vocabulary and listening exercises. Class Audio CDs, containing the recordings for the listening exercises, are also available.

American MORE! is a four-level course from a highly respected author team that's bursting with features for lower secondary students. The Teacher's Resource Pack contains unit tests, review tests, and term tests, as well as entry-level tests and end-of-year tests. There are extra grammar practice and communication activities for each unit of the course. The free Testbuilder CD-ROM allows teachers to create their own tests. It previews each exercise before inclusion, and can create 'A' and 'B' versions of each test so that students sitting next to each other don't share answers. Exam skills (KET-, PET- and Trinity-style) questions are also available.

Questions centering on the earth's geology remain some of the biggest stumbling blocks for people trying to reconcile biblical history with a modern scientific timeline. Now this powerful group of authors provides clear, compelling, and comprehensive answers to the most common objections for a global flood and a young earth. Uncovering what the science really shows about these geological mysteries, as well as providing detailed context and evidence, Rock Solid Answers reveals irrefutable truths that the earth continues to bear the scars of - and bear witness to - this pivotal biblical event!

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.
