**15-year-old Lacy is a ninth grader who has been nurturing a secret crush on a boy for a long time and doing her best to avoid playing sports. Unfortunately as a new year begins at her Christian school, her troubles immediately start piling up. Last year, she knew who her real friends were. But now, Lacy feels more alone than ever. Even worse yet, there are bullies lurking everywhere. Depressed and lonely, Lacy cannot help but feel bad about herself when she realizes her so-called friends are leaving her out of all their fun activities. Determined to persevere through her daily challenges, Lacy holds her head high and tries to act cool around her crush, even when she has no one to sit with at lunch. But when bullies attack the new girl, her one new friend, Lacy must decide whether to stay silent or lose her friend, just like last time. In this inspirational young adult novel, a Christian high school student who must stand up to bullies to save her friend may just find someone else in the process: herself.**

This brand new edition of English in Mind revises and updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. --Book Jacket.

American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English. The American English in Mind Level 1 Workbook provides language and skills practice for each Student's Book unit. The Workbook can be used both in the classroom and at home. Listening exercises utilize audio tracks found on the DVD-ROM accompanying the Student's Book.

So often people pray and wonder if their prayers, or even thoughts, have been lost to the atmosphere. Nancy Brinkley Weems came to a relationship with Christ as an adult with many questions. Not wanting " man ' s " answers, she sought out God ' s voice. When a friend read a God conversation, she was taken aback that someone would freely chat with God and hear from Him directly. In You Talk, I ' ll Listen, Nancy Brinkley Weems will use her teaching skills and knack for bringing new information in at a level that anyone can grasp. Sharing her battles of spiritual growth through growing up, and growing old; chatting with God about the trials in life, including losing her husband of thirty-eight years, and hearing God ' s voice are some of the themes of this book. God spoke us into existence and is still speaking to us now. " I have to say I was amazed with this book. I found it amazing that you so honestly bared the truth of your soul and your relationship with God, so that others could find theirs. " -- Angela Lowe, New Smyrna Beach, Florida " God uses you to speak to others, and he is allowing that to happen in a very meaningful way. Your words, which I believe are inspired by God, have provided insight and comfort during a tragic time in my life. " -- Lauren Canary,Physician " s Assistant, Wauchula, Florida

Challenge and inspire your teenage learners to think beyond language. Think is a fresh, vibrant and upbeat course designed to engage teenage learners and make them think. The Teacher's Book provides full lesson support for this level, including teacher's notes, audio scripts, answer keys, suggestions for extra activities and lesson options for mixed ability classes, plus tips on how to get the best out of Think's array of digital tools and components.

Parents often assume that other parents have it all figured out, that other parents have all the answers. But, all parents face complex problems that cannot be solved with a one-size-fits all answer. Tina Nocera, founder of Parental Wisdom and author of Parents Ask, Experts Answer, believes that a parent knows his own child best and is the expert on that child. In Parents Ask, Experts Answer, Nocera brings together a panel of thirty-five child-development experts to offer advice on some of the most challenging issues that parents face. By presenting multiple solutions to each issue, parents are empowered to choose a realistic solution that is right for their family.

Melanie Stryder refuses to fade away. The earth has been invaded by a species that take over the minds of their human hosts while leaving their bodies intact, and most of humanity has succumbed. Wanderer, the invading "soul" who has been given Melanie's body, knew about the challenges of living inside a human: the overwhelming emotions, the too vivid memories. But there was one difficulty Wanderer didn't expect: the former tenant of her body refusing to relinquish possession of her mind. Melanie fills Wanderer's thoughts with visions of the man Melanie loves -- Jared, a human who still lives in hiding. Unable to separate herself from her body's desires, Wanderer yearns for a man she's never met. As outside forces make Wanderer and Melanie unwilling allies, they set off to search for the man they both love. Featuring what may be the first love triangle involving only two bodies, The Host is a riveting and unforgettable novel that will bring a vast new readership to one of the most compelling writers of our time.

A thriller for people of all ages, especially teens. This story is about a high school student named Jake, who enjoys spending most of his time with his group of friends. As Halloween sits right around the corner, Jake discovers that his elderly neighbor has gone missing and has a feeling that Mr. Jenkins, the old man he used to do yard work for and husband of the woman, is the one that caused the disappearance. The group of friends decide to investigate on Halloween night after leaving a costume party. The only thing they dread to discover is Mr. Jenkins and his trusty hatchet by his side. Will the teens make it out of the old dusty house alive? Find out in The Old Hatchet! This is a short book recommended for horror and mystery fans who love to be on the edge of their seats.
