Achieve the Best Camera Design: Up-to-Date Information on MCMs Miniature camera modules (MCMs), such as webcams, have rapidly become ubiquitous in our day-to-day devices, from mobile phones to interactive TV systems. MCMs—or "smart" cameras—can zoom, adjust their frame rate automatically with illumination change, focus at different distances, compensate for hand shake, and

transform captured images. With contributions from academics and field engineers, *Smart Mini-Cameras* discusses the structure, operation principles, applications, and future trends of miniature mobile cameras. It compares this technology with traditional digital still cameras and explains the specific requirements of MCM components (imposed by the size or type of application) in terms of optical design, image sensor, and functionalities. The book describes the implementation of several active functionalities, including liquid crystal auto focus (AF) and optical image stabilization (OIS). It also explores how new technologies, such as the curved detector and transforming optics, are stimulating novel trends, including a miniature panoramic lens on mobile phones. By providing you with an understanding of the components and performance tradeoffs of MCMs, this book will help you achieve the

and Dr Orlagh Gairne is looking forward to a well-earned holiday. With her partner, Jerry, they jet off for the Aegean coast where they plan to make the most of the Mediterranean sun and visit the ancient sites of Anatolia. The Phoenix Legion, still reeling from a humiliating defeat, have re-grouped and are now planning the next phase of their quest. They are in possession of the Belgae Torc, but this is not enough to ensure total power so they must rely on the druids and their connection with the spirit world. Whilst searching for treasure in the Sea of Azov, Jack Harrington and his team make an unexpected discovery and with the past merging with the present are unable to avoid being drawn in to another deadly battle. The Belgae Torc, Jack Harrington and The Phoenix Legion are far from her thoughts, but as Orlagh enjoys her holiday with the man she loves, these forces come together. Will she manage to avoid another conflict or
