Presents different techniques for stage and screen actors, including a new approach to acting and advice on auditioning, developing a character, and playing difficult roles.

"The Great Guskin" (John Lahr, The New Yorker) shares the approach he uses to help actors land roles, develop them, and keep them alive Harold Guskin is an "acting doctor" whose clients include Kevin Kline, Glenn Close, James Gandolfini, Bridget Fonda, and dozens more. In How to Stop Acting, Guskin reveals the insights and techniques that have worked wonders for beginners as well as stars. Instead of yet another "method," Guskin offers a strategy based on a radically simple and refreshing idea: that the actor's work is not to "create a character" but rather to be continually, personally responsive to the text, wherever his impulse takes him, from first read-through to final performance. From this credo derives an entirely new perspective on auditioning and the challenge of developing a role and keeping it fresh, even over hundreds of performances. Drawing on examples from his clients' work and his own, Guskin presents acting as a constantly evolving exploration rather than as a progression toward a fixed goal. He also offers sound and original advice on adapting to the particular demands of television and film, playing difficult emotional scenes, tackling the Shakespearean and other great roles, and more. His book will find an eager and appreciative audience among novices and established actors alike.

From the daughter of comedy legend Harold Ramis (and featuring a Foreword by Seth Rogen) comes a hilarious and heartwarming account of his life, work, and legacy. Most of us know Harold Ramis as the writer, director, and actor who brought warmth and humor to the big screen in classics like Animal House, Caddyshack, Ghostbusters, National Lampoon's Vacation, and Groundhog Day. To his daughter, Violet, he was best known as an amazing father, confidant, and friend. In Ghostbuster's Daughter, Violet reflects on the life and legacy of her father, providing readers with an extraordinarily candid and insightful look into the man who helped shape modern American comedy. Funny, endearing, and vulnerable, Ghostbuster's Daughter takes readers into the private life of the American comedy icon, from his humble roots in Chicago and ascension into Hollywood stardom to his personal philosophies on life, love, and filmmaking. While the book offers a comprehensive history of her father's career, Ghostbuster's Daughter also provides a profound homage to their special father-daughter relationship. Violet weaves anecdotes about her father's unique and devoted parenting style among stories of her own unconventional upbringing, creating a vivid and dynamic portrait of the man behind the movies. A distinctly offbeat memoir as well as a charming family story for the ages, Ghostbuster's Daughter is an intimate look at one of America's preeminent comedy filmmakers.

Provides a guide to auditioning for film and theatrical roles with confidence, including tips on preparing for a role, finding the right monologues and songs to showcase talent, and dealing with creative criticism.

A moving testament to modern literature's most celebrated marriage: that of the greatest playwright of our age, Harold Pinter, and the beautiful and famous prize-winning biographer, Antonia Fraser. In this exquisite memoir, Antonia Fraser recounts the life she shared with the internationally renowned dramatist. In essence, it is a love story and a marvelously insightful account of their years together. Must You Go? is based on Fraser's recollections and on the diaries she has kept since October 1968. She shares Pinter's own revelations about his past, as well as observations by his friends.

A white South African teenager's relationships with his parents and, more particularly, with two of their Black servants--Willie and Sam--have a painful, tragic outcome

"Was it worth it, this awful struggle to survive, no matter what the cost?" Harold is Hal Holbrook's affecting memoir of growing up behind disguises, and his lifelong search for himself. Abandoned by his mother and father when he was two, Holbrook and his two sisters each commenced their separate journeys of survival. Raised by his powerful grandfather until his death when Holbrook was twelve, Holbrook spent his childhood at boarding schools, visiting his father in an insane asylum, and hoping his mother would suddenly surface in Hollywood. As the Second World War engulfed Europe, Holbrook began acting almost by accident. Thereafter, through war, marriage, and the work of honing his craft, his fear of insanity and his fearlessness in the face of risk were channeled into his discovery that the riskiest path of all--success as an actor--would be his birthright. The climb up that tough, tough mountain was going to be a lonely one. And how he achieved it--the cost to his wife and children and to his own conscience--is the dark side of his eventual fame from performing the man his career would forever be most closely associated with, the iconic Mark Twain.

A step-by-step guide from a Broadway director and renowned acting teacher.

A monumentally devastating plague leaves only a few survivors who, while experiencing dreams of a battle between good and evil, move toward an actual confrontation as they migrate to Boulder, Colorado.

Draws on the life, teachings, and example of Moses to present a series of principles designed to help readers cope with such problems of everyday life as the loss of a job, divorce, infertility, and illness.
