At last! Here is a clear, concise, and highly readable explanation of how to write your family history. This book was written for the genealogist who has compiled scores of pedigree charts and family group sheets, has spent years poring over forgotten manuscripts and staring into dimly-lit microfilm readers, and who now wants to bring it all together into a final narrative form. In a timely and interesting manner, the author shows how you can compose a controlled and focused rendition of your family's story.

Jack Hart, master writing coach and former managing editor of the Oregonian, has guided several Pulitzer Prize-winning narratives to publication. Since its publication in 2011, his book *Storycraft* has become the definitive guide to crafting narrative nonfiction. This is the book to read to learn the art of storytelling as embodied in the work of writers such as David Grann, Mary Roach, Tracy Kidder, and John McPhee. In this new edition, Hart has expanded the book's range to delve into podcasting and has incorporated new insights from recent research into storytelling and the brain. He has also added dozens of new examples that illustrate effective narrative nonfiction. This edition of *Storycraft* is also paired with *Wordcraft*, a new incarnation of Hart's earlier book *A Writer's Coach*, now also available from Chicago.

"This guide reveals how writers can take advantage of the brain's hard-wired responses to story to captivate their readers' minds through each plot element"--Provided by publisher.

“Just tell a story,” the teacher said. “It will be fun.” Yet the student stares at a blank screen, uncertain what to write, and it’s far from a fun experience. The narrative essay -- a personal form of storytelling about true experiences -- requires the writer to abandon familiar tools such as topic sentences, thesis statements, and supporting authority. But this doesn’t mean the writer should just type words until the pages are filled. Rambling freeform narratives are not what most writing instructors hope to see. There is a better method, and it can be found in this short booklet. This booklet explains everything the writer needs to generate a successful narrative essay in step-by-step fashion. Starting with a story goal, proceeding through a timeline, and finishing with two targeted paragraphs, this booklet will turn a blank screen into a finished paper.

On a winter's night under a full moon, a father and daughter trek into the woods to see the Great Horned Owl.

A prolific and award-winning writer, Lee Martin has put pen to paper to offer his wisdom, honed during thirty years of teaching the oh-so-elusive art of writing. *Telling Stories* is intended for anyone interested in thinking more about the elements of storytelling in short stories, novels, and memoirs. Martin clearly delineates helpful and practical techniques for demystifying the writing process and provides tools for perfecting the art of the scene, characterization, detail, point of view, language, and revision—in short, the art of writing. His discussion of the craft in his own life draws from experiences, memories, and stories to provide a more personal perspective on the elements of writing. Martin provides encouragement by sharing what he’s learned from his journey through frustrations, challenges, and successes. Most important, *Telling Stories* emphasizes that you are not alone on this journey and that writers must remain focused on what they love: the process of moving words on the page. By focusing on that purpose, Martin contends, the journey will always take you where you’re meant to go.

First published in 1967, *Stop-Time* was immediately recognized as a masterpiece of modern American autobiography, a brilliant portrayal of one boy's passage from childhood to adolescence and beyond. Here is Frank Conroy's wry, sad, beautiful tale of life on the road; of odd jobs and lost friendships, brutal schools and first loves; of a father's early death and a son's exhilarating escape into

manhood.

Maia Wojciechowska's 1965 Newbery Medal winner about a young boy struggling with his father's legacy. Manolo was only three when his father, the great bullfighter Juan Olivar, died. But Juan is never far from Manolo's consciousness--how could he be, with the entire town of Arcangel waiting for the day Manolo will fulfill his father's legacy? But Manolo has a secret he dares to share with no one--he is a coward, without *afición*, the love of the sport that enables a bullfighter to rise above his fear and face a raging bull. As the day when he must enter the ring approaches, Manolo finds himself questioning which requires more courage: to follow in his father's legendary footsteps or to pursue his own destiny?
