The Ruffhouse Records founder tells how he overcame poverty, abuse, and addiction to start a label that launched some of music's biggest stars: "Gripping."—Philadelphia Magazine As a struggling musician trying to catch a break in 1980s Philadelphia, Chris Schwartz navigated the crime-infested, morally bankrupt music industry to found and build one of the most successful hip-hop record labels in the world. That label was Ruffhouse, which launched the careers of Nas, The Fugees, Cypress Hill, and others, dominating the charts and generating global revenues of over a billion dollars. Schwartz and his partner, Joe Nicolo, built Ruffhouse from one desk and a phone to one of hip-hop's most revered record companies while simultaneously struggling with drug addiction and alcoholism. A story of money, greed, envy, betrayal, violence, addiction, loss, and redemption, not to mention a whole lot of music, Ruffhouse reveals the inside story of the record companies, recording studios, tour buses, private jets, mansions, radio stations, and concert halls at the height of hip-hop's 1990s heyday while also uncovering the darker side of the business, from police stations to rehab clinics, courtrooms to prisons. Told in Schwartz's own candid, searing prose, Ruffhouse is a portrayal of hip-hop culture at its tipping point, as it transitioned from urban curiosity to global phenomenon. "[A] story of adversity and perseverance... Fans of these artists will love the insider information on the recording process and the trials and tribulations of getting this music out into the world."?Library Journal "All respect to Chris Schwartz. He is a great visionary."—Nas

Norwegian sweater construction is demystified in this one-of-a-kind, workshop-based book Often considered intimidating and complex, Norwegian sweater construction is simplified in this one-of-a-kind, step-by-step book. You'll get all the skills and confidence you need to tackle any Norwegian sweater plus 20 patterns to make modern garments! Beginning with a look at color stranded knitting methods, Norwegian Sweater Techniques progresses on to the various types of Norwegian pattern graphs (and how they can differ from Fair Isle patterns). An emphasis is given to the use of "cutting stitches" for cardigans and armholes, along with measuring for armholes, sewing along the sides of the cutting stitches, and cutting the fabric to create these openings. Patterns utilize the advantages of Norwegian construction and apply them to non-traditionally Norwegian garments Detailed color photos and drawings provide additional guidance Norwegian techniques yield sturdier construction and a more versatile skill set Norwegian sweaters have been popular for centuries, and it's no wonder-they're classic, warm, and often feature beautiful colorwork. Now you "cut without fear" and create your very own pieces employing these time-honored techniques.

The incredible true story of Tiger Woods's dramatic comeback following his humbling and very public personal, physical. and professional setbacks. One publicly imploded marriage. Two car accidents. Eight surgeries. And now, a miracle of hard work and storied talent: five Masters wins. Once hailed as "the greatest closer in history" before he fell further than any beloved athlete in America's memory, Tiger swung at the world's wildest expectations and beat the skeptics with his April 2019 Masters championship. Roaring Back traces his road to Augusta and the improbable, phenomenal comeback of one of the greatest golfers in history. New York Times–bestselling author Curt Sampson details the highs and lows of Woods's career in three gripping acts. From his startling loss at the 2009 PGA Championship, detrimental obsession with his swing, and that infamous night involving an ex-wife and a nine-iron...to adoring fans and lucrative sponsors turning their backs, exclusive interviews with past instructors and PGA tour peers, and an arrest complete with a toxicology report . . . finally to Tiger coming from behind for his fifth green jacket as the crowd rumbled in Georgia, and how his comeback rivals those of the most dramatic in his sport. Sampson also places Woods's defeats and triumphs in the context of historic comebacks by other notable golfers like Ben Hogan, Skip Alexander, Aaron Siltan, and Charlie Beljan, finding the forty-three-year-old alone on the green for his trajectory of victory against all odds. As this enthralling book reveals, Tiger never doubted the perseverance of the winner in the mirror. "Sampson admirably details all the highs and lows." —Jim Nantz, CBS Sports
