of sanitary procedures must be emphasized throughout all operations.

Originally published in 2008 by Ferne Press.

Learn how to live the life you want, not just the life you can afford! Managing your money is like going to the dentist or standing in line at the DMV. Nobody wants to do it, but at some point, it's inevitable: you need to clean your teeth, renew your license, and manage your personal finances like a grown-up. Whether you're struggling to

words and actions of parents and others who help a child know they are loved, valued, and capable"--Provided by publisher.

Though GST is a tax reform, however, it is pertinent for entities to access its impact on accounts, accounting processes and various disclosures. Second edition of this book attempts to bridge that gap by providing a pragmatic analysis of the concepts and processes established under GST vis-à-vis accounting laws. The book is aimed at all the professionals, students and other academicians. Key highlights
