International Harvester Trucks: The Complete History tells the complete story of the light, medium, and heavy-duty trucks, vans, and station wagons built by International Harvester during over a century of production.

Tractor Mac: Worth the Wait stars the lovable pigs, Pete and Paul, as they learn the importance of patience when they try (unsuccessfully) to speed along the growth of Farmer Bill's prize watermelons.

Ancient farmers used draft animals for plowing but the heavy work of harvesting fell to the humans, using sickle and scythe. Change came in the mid-19th century when Cyrus Hall McCormick built the mechanical harvester. Though the McCormicks used their wealth to establish art collections and universities, battle disease, and develop birth control, members of the family faced constant scrutiny and scandal. This book recounts their story as well as the history of the International Harvester Company (IHC)--a merger of the McCormick and Deering companies and the world's leader in agricultural machinery in the 1900s.
