In the last 30 years, the Make-A-Wish Foundation\u2122 has granted nearly 300,000 wishes worldwide to children battling life-threatening illnesses, shedding light on worlds darkened by disease and bringing hope to children and their families. With a foreword by Make-A-Wish\u2122 cofounder Frank Shankwitz, Once Upon A Wish shares the wishes of eight children-their stories inspiring testimonials to the resilience and strength of the human spirit. These families generously invite us into their worlds, allowing us to become part of their darkest moments, their unimaginable realities, their greatest hopes, deepest fears, and unbelievable triumphs. Experience the story of Katelyn, a little girl becoming a medical marvel after defying all odds stacked against her and making it her life-long goal to raise \$3 million for St. Jude Hospital; read about a wheelchair-bound boy, Garrett, giving the gift of mobility to disabled Cambodian men and women; and root for the family of a little boy, Dakota, who collects millions of pennies each year to help others fight the disease they once fought. Become inspired and forever-changed by the generosity, hope, courage, and optimism of these children and their families and experience the power of two words, "I wish." Once Upon A Wish is a celebration of hope, revealing how wishes-come-true can become ultimate motivators and cherished gifts that will last a lifetime.

FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.

FROM THE BLOG OF CAM WALKER Our biology teacher, Mr. Mora, had been planning an ultra-cool field trip to Willow Key (which is kind of like the Everglades). One humongous problem: We couldn't raise enough money for our class to go. But then the richest guy in town, Mr. Chapman Thorpe, made us a proposal that changed everything. So we got to go to Willow Key ( in an awesome seaplane!) and while down there we got to: 1 DIVE THE WRECK OF A SPANISH GALLEON AND FIND SOME CLUES TO A LONG-LOST TREASURE 2 HELP MR. MORA WITH HIS BOINASS STUDY AND HELP PROTECT THE ENVIRONMENT OF WILLOW KEY 3 DISCOVER A HUGE SECRET ABOUT OUR FRIEND TY oh, and I probably should mention that we ran into a bunch of really bad dudes who tried to prevent us from ever leaving Willow Key. But I'm getting ahead of myself....
