Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

At the edge of the woods during the Sturgis Motorcycle Rally, the seasoned biker 'Groovy J' sees the promise of a noble, new Earth when he meets Katarina Zora, a woman with joy in her heart despite a rough start in life. The two bond over a series of raw and brutally honest stories that led Zora to a life as a custom motorcycle painter. When Groovy J expresses a desire for growth, Zora condenses twenty years of research and experimentation on how to heal the holes of trauma and become a master of one's fate, into an afternoon's conversation. Includes Toolbox filled with charts, questionnaires and empowering stories to guide you into becoming your best Self!

'Deep inside the grotto of my childhood innocence was a rational adult preparing to murder the sentry of youth'. The Moss Wall is a story of a ten year old boy told by his adult self. The boy is victimised at school by the headmaster and most of his fellow pupils. He endures beatings, humiliation and taunts that teaches him hatred and revenge. When the local School Inspector threatens his mother, he is pushed to the edge and plans a calculated attack. What emerges from this novella, is a story of love and hate, of mythical spirits and shadows of people who have sufferings far greater than his own. Enter the world of a ten year old boy in 1974 Northern Ireland and observe the innocence of logic and the subconscious reflection of a country bleeding to death.

This long-awaited new "Star Trek" technical manual--nearly two years in the making--presented in the world-renowned Haynes Manual format details the intricacies of the "Enterprise."

"Jeep chronicles the history of this uniquely American brand, starting with its wartime inception and moving through the 20th century, fully illustrated throughout and loaded with facts and sidebars"--
