Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own

As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 20112012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an expos of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters,

the inside out. He first apprenticed in a number of import auto shops, eventually rising through the ranks and opening his own facility. Grismer draws on his thirty-seven years of experience to expose how the industry really works. He provides answers on how to deal with a "lemon" while offering advice on how to make the best buy before purchasing your vehicle. Discover how the valuation and appraisal process works and how the history of your vehicle affects you and your money. Grismer's conversational style makes the information accessible while offering personal insight on the process of
