There are over 2000 registered historic buildings in Shanghai, with hundreds more waiting to be added. Most are pre-War structures and are either Western buildings, or Chinese-style buildings with a distinct Western influence. These include villas, offices, apartment buildings and shikumen (a house of both wood and brick). Structures were selected for this book because of the interesting stories behind them or because they were related to a topical news event.

This book is written for students who have intermediate proficiency in English, but need to practice conversing on a variety of topics. Each section in the book is designed to intertwine discussion questions with interesting topical facts and opinions in order to guide students to speak as much as possible within the class period. Students will explore text and visual media to expand their knowledge of essential vocabulary for confident free talking.
