ACIS Donald J Murphy Prize for Distinguished First Book "Clearly written, convincingly argued, and transformative."--Nicholas Allen, author of *Modernism, Ireland and Civil War* "Goes beyond 'statism' and postnationalism toward a cosmopolitics of Irish transnationalism in which national belonging and national identity are permanently in transition."--Gregory Castle, author of *The Literary Theory Handbook* "Shows how three important Irish writers crafted forms of cosmopolitan thinking that spring from, and illuminate, the painful realities of colonialism and anti-colonial struggle."--Marjorie Howes, author of *Colonial Crossings: Figures in Irish Literary History* "Asserting the simultaneity of national and global frames of reference, this illuminating book is a fascinating and timely contribution to Irish Modernist Studies."--Geraldine Higgins, author of *Heroic Revivals from Carlyle to Yeats* Looking at the writing of three significant Irish expatriates, Nels Pearson challenges conventional critical trends that view their work as either affirming Irish anti-colonial sentiment or embracing international identity. In reality, he argues, these writers constantly work back and forth between a sense of national belonging that remains incomplete and ideas of human universality tied to their new global environments. For these and many other Irish writers, national and international concerns do not conflict, but overlap--and the interplay between them motivates Irish modernism. According to Pearson, Joyce's *Ulysses* strives to articulate the interdependence of an Irish identity and a universal perspective; Bowen's exiled, unrooted characters are never firmly rooted in the first place; and in Beckett, the unsettled origin is felt most keenly when it is abandoned for exile. These writers demonstrate the displacement felt by many Irish citizens in an ever-changing homeland unsteadied by long and turbulent decolonization. Searching for a sense of place between

Return to the beloved town of Chesapeake Shores in this beloved tale of second chances and pursuing dreams by #1 New York Times bestselling author Sherryl Woods—and watch the new series Chesapeake Shores on Hallmark Channel! Single mom Heather Donovan’s dreams of home and family are tantalizingly within reach when she settles in Chesapeake Shores. The welcoming arms of the boisterous, loving O’Brien clan embrace her and her son. But accepting their support seems to further alienate her son’s father, Connor O’Brien. His parents’ divorce and his career as a high-powered divorce attorney have left him jaded about marriage. Then everything changes. Will the possibility of a future without Heather make Connor look at love and his career differently? Heather’s just about given up on her old dreams—of love, of family and especially of Driftwood Cottage, the home she secretly wishes were hers. It’s going to take a lot of persuasion—and some help from the O’Brien family—to make Heather believe that some dreams are worth fighting for. Originally published in 2011.
