LIAISONS is an innovative beginning-level French program firmly grounded in principles of communicative language teaching and research in second language acquisition. Components of the program are carefully linked together, showing students how they can make connections with their classmates, their instructor, their community, and the French-speaking world. A rich array of communicative activities is designed to stimulate interaction inside and outside the classroom. The underlying pedagogical framework in LIAISONS asks students to first discover new vocabulary and grammar through different mediums, then connect form and meaning through a set of confidence-building activities, and finally, actively create language. Les Marees Terrestres

In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. Unbound is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

If you are a robot enthusiast who wants to quickly get the most out of Lego Mindstorms EV3, this is the book for you. Prior programming experience is useful to get the most out of this book, but not necessary.

You were introduced to Milan, femme fatale of all femme fatales in Amid the Cacophony of Cries. What happens when this elite escort is given the keys to her on-again, off-again lover's international cocaine trafficking empire? What happens when she's expected to shoulder the burdens and blessings of spearheading all of his business operations, upscale call-girl ring, and handling his enemies? Milan is more ruthless than ever in The Head Mistress. She becomes the first woman to unwittingly inherit an international underground drug network which grosses over \$12 million a month, in the formerly male dominated trafficking world of Kevin Restrepo and his Restrepo Cartel. An incest victim molested by her own uncle, turned elite call girl who came from the gritty streets of Los Angeles, Milan comes to terms with untold demons. Her Puerto Rican lover grants her access to the workings of his underground drug network. When he gets arrested by the feds she is expected to pick up where he leaves off. Sudden promotion puts her in the line of fire of a very wealthy, feared, and deadly man. She learns that she's a marked woman and there's a hit out on her life. Amid a cesspool of betrayal, Kevin's younger brother and business partner falls madly in love with Milan. What ensues is a lusty, tempestuous, kinky, torrid triangle of sorts. Being the promiscuous scandal-magnet that she is, Milan befriends a married woman who is highly curious about a bisexual relationship but waffles because of her commitment to God and her marriage to a prominent pastor of a world-renowned mega church in Brooklyn. While Milan miraculously survives brush after brush with death, new enemies materialize and old enemies resurface. Strap on your seatbelt! Hold on as you plunge into the world of The Head Mistress.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Indulge in your favorite hue (or two!) with fabric designer Jessica Levitt. Bright and bold quilt blocks pair same-color prints with strong solids for depth and lots of personality. Stitch random-width strips to a muslin base for a planned approach to improv. Giant-size blocks join together like a fun puzzle, forming a graphic secondary pattern when you piece the quilt top!

"The rise and fall of kings and nations!"--Cover.

Provides accountants in small and medium sized firms the tool to expand services beyond attest and compliance functions. Shows how to transition to other professional services that clients value. Provides a pro-forma business plan for mapping a three to five year plan for the transition to a successful practice. Positions consulting as an extension to traditional services, not just an alternative. Includes many real world examples of accountants who have made a successful transition to new services, discussing the challenges and the results achieved. Focuses on quality of life issues and how to get there.
