Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

Roadmap to Success. To lead students to a full understanding of the impact of financial statements on business decision-making, the authors use the financial statements from Winnebago Industries throughout. Relying on the text's trademark innovative pedagogy, instructors can prepare business majors and accounting majors alike for future business success. Managerial Accounting, 2e features a four-step decision-making model throughout, this text is unique in its first-person exploratory approach. It conveys a true management perspective--offering coverage of contemporary topics such as ABM, the value chain, and balanced scorecard evaluation techniques. Jackson is also the first managerial text to incorporate coverage of knowledge management (Chapter 13)--highlighting the latest developments for improved managerial decision making.
