Mehmed II (1432-1481 CE), also known as Mehmed the Conqueror, was the seventh and among the greatest sultans of the Ottoman Empire.

Mehmed II - Ancient History Encyclopedia

Mehmed the Conqueror, scourge of the world The fall of Constantinople to the Ottoman Empire in 1453 brought Turkish politics closer to western Europe. The Italian merchant cities already had commercial ties with the Ottomans across the Mediterranean, but after the collapse of the Byzantine Empire, western Europeans became increasingly more interested in — and often worried by — their new eastern neighbours.

Mehmed the Conqueror - YouTube

Mehmed II - IMDb

From the famous siege of Constantinople in 1453 through the numerous other campaigns that securely established the Ottoman Empire, the events in the life of the emperor Mehmed II are the subject of this classic biography. One of the most important figures in Ottoman history, Mehmed was the architect of victories that inspired fear throughout Europe and contributed to an image of the Turk prevalent in Western art and literature for many years. "Fascinating. . . . From the Western viewpoint, Mehmed was seen as the man who gave the death blow to Byzantium, destroying the last vestige of the Eastern Roman Empire. Not surprisingly, the Turks regard him as the greatest of all sultans, a figure unparalleled in the history of the world for military prowess, statecraft, patronage of the arts and sciences."--Robert Kirsch, The Los Angeles Times Book Review "The definitive scholarly biography of the Ottoman emperor who in 1453 conquered Constantinople. . . . Mehmed's career is a study of battle, murder, and sudden death, of brutality, perfidy, and spite, with no moral superiority awardable to either Christians or Muslims."--The New Yorker

Five hundred years ago the great walled city of Constantinople fell under the relentless siege of the Ottoman Turks led by Sultan Mehmed II, Mehmed the Conqueror. Kristovoulos, one of the vanquished Greeks, later entered into the service of the Conqueror and began to write a history of the Sultan's life, starting with the year 1451, the beginning of Mehmed's 31-year reign. Death apparently prevented Kritovoulos from completing his account, but the manuscript covering the first seventeen years has been preserved and this exciting chronicle is here translated into English for the first time. Charles T. Riggs, who died in February 1953 at Robert College in modern Istanbul, was a missionary in the Near East. Originally published in 1954. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Sultan Mehmet II, known to his countrymen as 'the Conqueror' and to much of Europe as 'the Terror of the World,' was once Europe's most feared and powerful ruler. Now, Turkey's most beloved American scholar, John Freely, brings to life this charismatic hero of one of the richest histories in the world. Mehmet was barely twenty-one when he conquered Byzantine Constantinople, which became Istanbul and the capital of his mighty empire. Mehmet reigned for thirty years, during which time his armies extended the borders of his empire halfway across Asia Minor and as far into Europe as Hungary and Italy. Three popes called for crusades against him as Christian Europe came face to face with a new Muslim empire. Revered by the Turks and seen as a brutal tyrant by the West, Mehmet was a brilliant military leader as well as a renaissance prince. His court housed Persian and Turkish poets, Arab and Greek astronomers, and Italian scholars and artists. In the first biography of Mehmet in thirty years, John Freely vividly illuminates the man behind the myths.
