The Essential Resource for All IRB Members! Designed to give Institutional Review Board (IRB) members the information they need to protect the rights and welfare of research subjects in a way that is both effective and efficient, the chapters of the Institutional Review Board Member Handbook are short and to the point. Topic-specific chapters list the criteria IRB members should use to determine how to vote on specific kinds of studies and offer practical advice on what IRB members should do before and during full-committee meetings. NEW CHAPTERS in this Edition Include: \* Definition of Human Subject Research, Exempt & Expedited Review Categories \* IRB Member Conflict of Interest All chapters are completely updated for 2010 practice! This handbook is an excellent accompaniment to Institutional Review Board: Management and Function, Second Edition and the Study Guide that IRB members can access and refer to quickly and easily.

This two volume looseleaf handbook is a practical manual for practitioners involved with labor counseling and litigation. The major federal labor law statutes, including: the NLRA, ERISA, OSHA, and the LMDRA are covered in the work. Union organizing and collective bargaining are discussed in detail.
