Biography of the 46th First Lady of the United States (1964).

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America, she helped create the most welcoming and inclusive White House in history. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private.

This book details the fascinating life story of Michelle Obama, emphasizing her own personal and professional accomplishments, her life partnership with President Barack Obama, and her distinctive approach to the role of First Lady. • Includes a chronology of the life of America's first African American First Lady • Presents photos of the Obama family—including their dog, Bo

Michelle Obama has quickly become one of the most influential and respected women in America. This book is a collection of her most personal and inspirational speeches, given over the course of a year and a half, on the Obama's historic journey to the White House. In her own words, Michelle Obama talks about her beliefs, her upbringing, and her values.

#1 NEW YORK TIMES BESTSELLER • Michelle Obama's worldwide bestselling memoir, Becoming, is now adapted for young readers. Michelle Robinson was born on the South Side of Chicago. From her modest beginnings,

she would become Michelle Obama, the inspiring and powerful First Lady of the United States, when her husband, Barack Obama, was elected the forty-fourth president. They would be the first Black First Family in the White House and serve the country for two terms. Growing up, Michelle and her older brother, Craig, shared a bedroom in their family's upstairs apartment in her great-aunt's house. Her parents, Fraser and Marian, poured their love and energy into their children. Michelle's beloved dad taught his kids to work hard, keep their word, and remember to laugh. Her mom showed them how to think for themselves, use their voice, and be unafraid. But life soon took her far from home. With determination, carefully made plans, and the desire to achieve, Michelle was eager to expand the sphere of her life from her schooling in Chicago. She went to Princeton University, where she learned what it felt like to be the only Black woman in the room. She then went to Harvard Law School, and after graduating returned to Chicago and became a high-powered lawyer. Her plans changed, however, when she met and fell in love with Barack Obama. From her early years of marriage, and the struggle to balance being a working woman, a wife, and the mom of two daughters, Michelle Obama details the shift she made to political life and what her family endured as a result of her husband's fast-moving political career and campaign for the presidency. She shares the glamour of ball gowns and world travel, and the difficulties of comforting families after tragedies. She managed to be there for her daughters' swim competitions and attend plays at their schools without catching the spotlight, while defining and championing numerous initiatives, especially those geared toward kids, during her time as First Lady. Most important, this volume for young people is an honest and fascinating account of Michelle Obama's life led by example. She shares her views on how all young people can help themselves as well as help others, no matter their status in life. She asks readers to realize that no one is perfect, and that the process of becoming is what matters, as finding yourself is ever evolving. In telling her story with boldness, she asks young readers: Who are you, and what do you want to become?

Presents a portrait of Michelle Obama from her youth on the south side of Chicago and her education at Princeton and Harvard Law School to her relationship with Barack Obama and her views on political issues.

Michelle Obama is: A Lawyer A Writer An Activist A First Lady of the United States of America. \_\_\_\_\_ She is a role model and feminist icon. Born and raised in Chicago, she studied and worked hard to become a lawyer, and then took to the international stage as First Lady. This beautifully illustrated book tells the extraordinary story of Michelle Obama's life, perfect for young readers everywhere.

Describes how the First Lady and her daughters planted a vegetable garden on the White House's South Lawn as part of an initiative to raise awareness about childhood obesity, and shares gardening tips, recipes, and advice for making healthier food choices.

This YA biography of the former First Lady considers her journey from Chicago to the White House in the larger context of African American history. Michelle Obama grew up on Chicago's South Side, and while the world outside her door was chaotic and ever-changing, her family provided a stable environment in which she could grow and flourish. This biography of the former First Lady shows how a girl from a working class background could rise to become one of the most influential women of her day. More than a chronology of life events, this book looks at Michelle Obama's story within the larger context of African American history: slavery, freedom, the Reconstruction era, the Civil Rights movement, and finally, her own era. History both shaped and challenged Michelle. And ultimately, she not only overcame the obstacles put before her, she went on to carve out her own place in history.

Discover the life of Michelle Obama--a story about working for change Michelle Obama is one of the most important women in American history. Before she served as the first Black first lady of the United States, Michelle was a smart and studious kid who wanted to give back to her community.
