Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class IX following the NCERT Textbook of Science. The present book has been divided into two parts covering the syllabi of Science into Term I and Term II. Term-I covers chapters namely Improvement in Food Resources, Matter in Our Surroundings, Is Matter around us Pure, The Fundamental Unit of Life, Tissues, Motion, Force & Laws of Motion and Gravitation. Term-II section covers Atoms & Molecules, Structure of Atom, Diversity in Living Organisms, Why Do We Fall Ill, Work & Energy, Sound and Natural Resources. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class IX Science. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. The book also covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the actual Class IX Science CBSE Board Examination. As the book has been designed strictly according to the NCERT Textbook of Science for Class IX and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class IX students in an effective way for Science.

Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class X following the NCERT Textbook of Science. The present book has been divided into two parts covering the syllabi of Science into Term I and Term II. Term-I covers chapters namely Chemical Reactions & Equations, Acids, Bases & Salts, Metals & Non-Metals, Life Processes, Control & Coordination, Electricity, Magnetic Effects of Electric Current and Sources of Energy. Term-II section covers Carbon and its Compounds, Periodic Classification of Elements, How do Organisms Reproduce, Heredity & Evolution, Light: Reflection & Refraction, Human Eye & Colourful World, Management of Natural Resources and Our Environment. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class X Science. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short

Answer Type Question. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. The book also covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the actual Class X Science CBSE Board Examination. As the book has been designed strictly according to the NCERT Textbook of Science for Class X and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class X students in an effective way for Science.

Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class X following the NCERT Textbook of Social Science. The present book has been divided into two parts according to the syllabi of Social Science Term I and Term II, further divided into History, Geography, Political Science and Economics sections. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the textbook based questions. This book has answer to each & every question covered in the chapters of the textbook for Class X Social Science. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. The curriculum for Disaster Management has been covered at the end of the book with necessary theoretical content and solved textbook questions. The book has been designed systematically in the simplest manner for easy comprehension of the chapters and their themes. As the book has been designed strictly according to the NCERT Textbook of Social Science for Class X and provides a thorough and complete coverage of the textbook based questions, it for sure will help the Class X students in an effective way for Social Science.

1. ' NCERT Solutions ' a unique book containing Questions-Answers of NCERT Textbook based questions. 2. The present edition of Class 7 th Science provide solutions to Textbook questions 3. It is divided into 18 chapters, covering the syllabi of Science for Class VII. 4. Comprehensive solutions help students to learn the concepts enhances thinking abilities 5. Book covers the text matter into reading notes format covering all definitions, key words,important points, etc. 6. Chapter End Exercises along with Selected NCERT Exemplar Problems. 7. The book gives detailed well explained solutions to all the exercises 8. It contains simplified text material in the form of quick reading notes NCERT Textbooks play an immense role in developing student ' s understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class VII following the NCERT Textbook for Science. The present book has been divided into 18 Chapters namely Nutrition in Plants, Nutrition in Animals,Fibre to Fabric, Heat, Acids, Bases Salts, Physical & Chemical Changes, Weather, Climate Adaptation of Animals to Climate, Winds, Storms Cyclones, Soil, Respiration in Organisms,Transportation in Animals & Plants, Reproduction in Plants, Motion & Time, Electric Current its Effects, Light, Water: A Precious Resource, Forests: Our Lifeline and Wastewater Story covering the syllabi of Science for Class VII. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Science textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class VII Science Examination. Through comprehensive solutions, the students can learn the concepts which will enhance their thinking & learning abilities. For the overall benefit of the students, along with the solutions the book also covers the text matter of NCERT textbooks in easy reading notes format covering all definitions, key words, important points, etc. The book also contains Intext Questions, Paheli Boojho Questions, Chapter End Exercises along with Selected NCERT Exemplar Problems. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Science for Class VII and contains simplified text material in the form of quick reading notes and answers to all the questions in lucid language, it for sure will help the Class VII students in an effective way for Science.

1. ' NCERT Solutions ' a unique book containing Questions-Answers of NCERT Textbook based questions. 2. The present edition of Class 6 th Science provide solutions to Textbook questions 3. It is divided into 16 chapters, covering the syllabi of Science for Class VI. 4. Comprehensive solutions help students to learn the concepts enhances thinking abilities 5. Book covers the text matter into reading notes format covering all definitions, key words,important points, etc. 6. Chapter End Exercises along with Selected NCERT Exemplar Problems. 7. The book gives detailed well explained solutions to all the exercises 8. It contains simplified text material in the form of quick reading notes NCERT Textbooks play an immense role in developing student ' s understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class VI following the NCERT Textbook for Science. The present book has been divided into 16 Chapters namely Food: Where does it come from,Components of Food, Fibre to Fabric, Sorting Materials into Groups, Separation of Substances, Changes Around Us, Getting to Know Plants, Body Movements, The Living Organisms Their Surroundings,Motion Measurement, Light, Shadows Reflections, Electricity Circuits, Fun with Magnets, Water, Air Around Us and Garbage in, Garbage Out covering the syllabi of Science for Class VII. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Science textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class VI Science Examination. Through comprehensive solutions, the students can learn the concepts which will enhance their thinking learning abilities. For the overall benefit of the students, along with the solutions the book also covers the text matter of NCERT textbooks in easy reading notes format covering all definitions, key words, important points, etc. The book also contains Intext Questions, Paheli Boojho Questions,Chapter End Exercises along with Selected NCERT Exemplar Problems. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities.As the book has been designed strictly according to the NCERT Textbook of Science for Class VI and contains simplified text material in the form of quick reading notes and answers to all the questions in lucid language, it for sure will help the Class VI students in an effective way for Science.

1. ' NCERT Solutions ' a unique book containing Questions-Answers of NCERT Textbook based questions. 2. The present edition of Class 8 th Science provide solutions to Textbook questions 3. It is divided into 18 chapters, covering the syllabi of Science for Class VIII. 4. Comprehensive solutions help students to learn the concepts enhances thinking abilities 5. Book covers the text matter into reading notes format covering all definitions, key words,important points, etc. 6. The book gives detailed well explained solutions to all the exercises 7. It

contains simplified text material in the form of quick reading notes NCERT Textbooks play an immense role in developing student's understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class VIII following the NCERT Textbook for Science. The present book has been divided into 18 Chapters namely Crop Production Management, Microorganisms: Friend Foe, Synthetic Fibres & Plastics, Materials: Metals & Non-Metals, Coal & Petroleum, Combustion & Flame, Conservation of Plants & Animals, Cell: Structure Functions, Reproduction in Animals, Reaching the Age of Adolescence, Force Pressure, Friction, Sound, Chemical Effects of Electric Current, Some Natural Phenomena, Light, Stars the Solar System and Pollution of Air & Water, covering the syllabi of Science for Class VIII. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Science textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class VIII Science Examination. Through comprehensive solutions, the students can learn the concepts which will enhance their thinking & learning abilities. For the overall benefit of the students, along with the solutions the book also covers the text matter of NCERT textbooks in easy reading notes format covering all definitions, key words, important points, etc. The book also contains Intext Questions, Paheli & Boojho Questions, Chapter End Exercises along with Selected NCERT Exemplar Problems. As the book has been designed strictly according to the NCERT Textbook of Science for Class VIII and contains simplified text material in the form of quick reading notes and answers to all the questions in lucid language, it for sure will help the Class VIII students in an effective way for Science.

Keeping in mind the immense importance and significance of the NCERT Textbooks for a student, Arihant has come up with a unique book containing only and all Question-Answers of NCERT Textbook based questions. This book has been designed for the students studying in Class IX following the NCERT Textbook of Social Science.

Bright Tutee provides free Ebook of Chapter 1- Chemical Reactions and Equations of class 10th Science () prepared by our panel of experienced teachers. These solutions are based on NCERT () guidelines to help students prepare for their () CBSE Class 10th Board Exams. Chapter 1- ' Chemical Reactions and Equations ' focuses on the introduction to chemicals and their reactions. In this Chapter students will learn about Chemical Reactions And Equations, Types Of Chemical Reaction, and Oxidation Reduction Reactions in Everyday Life. It provides step by step process to form these reactions. Solving and practicing the questions of this chapter increases your command over the topic. It will also help you score higher marks in the Science Board paper. Download Free Ebook of chapter 1- Chemical Reactions and Equations of class 10th Science. You will be able to complete you homework faster with the help of these NCERT Solutions. So, enhance your learning journey with this resource from Bright Tutee.
