Also known as Jerusalem Reunification Day, this officially recognised national holiday is celebrated on the 28th of Iyar in the Jewish calendar, which means it is celebrated close to Independence Day. History of Jerusalem Day. Following the creation of the state of Israel in 1948, it had been agreed that Jerusalem would be an international city for ten years, after which time the residents could vote for what country they wanted to join. However, Israel was attacked by Jordan in May 1948 ...

Jerusalem Day in Israel in 2021 Office Holidays
Last but not least, unfortunate but not less important – Jerusalem has rarely been a completely peaceful and safe place. Stay up to date before going and keep away from indicated or more heavily guarded places when warnings are pronounced. Also be aware that there are security checks before any bigger sights. One Day in Jerusalem Itinerary

One Day in Jerusalem Itinerary – Top things to do in Jerusalem

The Jewish homeland of Israel was declared on Iyar 5, 5708 Hebrew, or May 14, 1948, Gregorian. Today, this day is celebrated as Yom Ha'atzmaut, or Israeli Independence Day. After the expiration of the mandate, war befell the region. The Arab armies underestimated the Haganah's strength and were not prepared for a strong foe.

Jerusalem Day - Find link - Edward Betts
The first stop of the day is the Mount of Olives, with sweeping views across Jerusalem's Old City and Temple Mount, and you'll pass the Garden of Gethsemane as you enter the city. Pause outside Zion Gate, and then continue into the Old City on foot, walking through the Armenian Quarter to the Jewish Quarter and the surviving ruins of the sixth-century Byzantine Cardo.

An account of the bitter 1948 dispute between the Arabs and Jews over Jerusalem highlights the role of the British as well as prominent individuals in the struggle. Reissue. (A Samuel Goldwyn Productions film, releasing September 2007, directed by Elie Chouraqui, starring JJ Feild, Tovah Felshuh, Maria Pappas, Ian Holm, Patrick Bruel, Tom Conti, and others) (History -- General)

Entering British-occupied Palestine in 1918, Mary Russell and Sherlock Holmes soon find themselves engaged in a desperate mission for His Majesty's government, accompanied by two mysterious Arab figures and pursued by murderous strangers.

This book tells the full story of the first Arab-Israeli war and the birth of the State of Israel. Based largely on some 1000 interviews with participants of all nations, it describes the important military and diplomatic events of that epic war - from the struggle between Truman and Dean Rusk to the fall of Jerusalem's Jewish Quarter; from the Irgun-Stern Gang massacre at Deir Yassin to the ambush of a Hadassah hospital convoy; from the clandestine operations of the Jewish underground in the US to the secret negotiations between Jordan's King Abdullah and Moshe Dayan.

Suicide attacks on Israelis, bombings, assassinations, and bloodshed in Jerusalem, Gaza, and the West Bank dominate the news from the Middle East. It is the most troubled region on earth. At its heart is the conflict between Palestinians and Israelis - and the legacy of six days of war in 1967. After the state of Israel emerged from war in 1948, both sides knew more battles were coming. In June 1967, years of slow-burning tension exploded. In six extraordinary days, Israel destroyed the armed forces of Egypt, Jordan, and Syria. But far from bringing peace, as many Israelis hoped, their stunning victory turned into a curse. From the initial battle order issued to the Israeli air force on Monday June 5, 1967 to the final ceasefire on the evening of Saturday the 10th, the Six-Day War was a riveting human drama. Building on his first-hand experience of the region after his five years as the BBC's Middle East Correspondent, as well as extensive original research, Jeremy Bowen presents a compelling new history of the conflict. Six Days recreates day by day, hour by hour, the bullying and brinckmanship that led four natons to war, interweaving testimonies of combatants from all sides in a seamless narrative. A rigorous and original piece of modern history is as vivid as fiction. Six Days not only sheds new light on one of the key conflicts of the twentieth century, it explains much about the Middle East and the problems the region still faces today.

"A Country Between reminds us that grief is as indispensable to joy as light is to shadow. Beautifully written, ardent and wise." —Geraldine Brooks, Pulitzer Prize-winning author of The Secret Chord, People of the Book, and March Moving her family to a war zone was not a simple choice, but she's determined to find hope, love, and peace amid the conflict in the Middle East. When young mother Stephanie Saldana finds herself in an empty house at the beginning of Nablus road—the dividing line between East and West Jerusalem—he sees more than a Middle Eastern flash point. She sees what could be home. Before her eyes, the fragile community of Jerusalem opens, and she starts to build her family to outlast the chaos. But as her son grows, so do the military checkpoints and bomb sirens, and Stephanie must learn to bridge the gap between safety and home, always questioning her choice to start her family and raise her child in a country at war. A Country Between is a celebration of faith, language, and family—and a mother's discovery of how love can fill the spaces between what was once shattered, leaving us whole once more.

The New York Times bestseller from the author of Watchmen and V for Vendetta finally appears in a one-volume paperback. Begging comparisons to Tolstoy and Joyce, this “magnificent, sprawling cosmic epic” (Guardian) by Alan Moore—the genre-defying, “groundbreaking, hairy genius of our generation” (NPR)—takes its place among the most notable works of contemporary English literature. In decaying Northampton, eternly loiters between housing projects. Among saints, kings, prostitutes, and derelicts, a timeline unravels: second-century fiends wait in urine-scented stairwells, delinquent specters undermining a century with tunnels, and in upstairs parlors, laborers with golden blood reduce fate to a snooker tournament. Through the labyrinthine streets and pages of Jerusalem tread ghosts singing hymns of wealth and poverty. They celebrate the English language, challenge mortality post-Einstein, and insist upon their slum as Blake’s eternal holy city in “Moore’s apotheosis, a fourth-dimensional symphony” (Entertainment Weekly). This “brilliant . . . monumentally ambitious” tale from the gutter is “a massive literary achievement for our time—and maybe for all times simultaneously” (Washington Post).

When the Six-Day War began, Elie Wiesel rushed to Israel. "I went to Jerusalem because I had to go somewhere, I had to leave the present and bring it back to the past. You see, the man who came to Jerusalem then came as a beggar, a madman, not believing his eyes and ears, and above all, his memory." This haunting novel takes place in the days following the Six-Day War. A Holocaust survivor visits the newly reunited city of Jerusalem. At the Western Wall he encounters the beggars and madmen who congregate there every evening, and who force him to confront the ghosts of his past and his ties to the present. Weaving together myth and mystery, parable and paradox, Wiesel bids the reader to join him on a spiritual journey back and forth in time, always returning to Jerusalem.

The controversial journalistic analysis of the mentality that fostered the Holocaust, from the author of The Origins of Totalitarianism Sparking a flurry of heated debate, Hannah Arendt's authoritative and stunning report on the trial of German Nazi leader Adolf Eichmann first appeared as a series of articles in The New Yorker in 1963. This revised edition includes material that came to light after the trial, as well as Arendt's postscript directly addressing the controversy that arose over her account. A major journalistic triumph by an intellectual of singular influence, Eichmann in Jerusalem is as shocking as it is informative—an unflinching look at one of the most unsettling (and unsettled) issues of the twentieth century.
