Each chapter covers the lives of two protagonists on 15 July, St Swithin's Day, for 20 years. The novel attracted generally positive reviews and was named 2010 Galaxy Book of the Year. Nicholls adapted his book into a screenplay; the f

~~One Day (novel) - Wikipedia~~

David Nicholls chooses to have each chapter dedicated to a single specific date, the 15th of July, a chapter for every year. On this day, Emma and Dexter sometimes come together, sometimes they don't. **WARNING: Do not watch the movie before you read it, totally ruins the hype.**

~~One Day: Amazon.co.uk: Nicholls, David: 9780340896983: Books~~

'One Day' is an interesting, melancholy romance novel from David Nicholls, that follows the lives of two tentative love birds: Emma and Dexter. The pacing of the novel is well done, as the yearly gaps in between chapters portray love and romance from a long-term perspective.

Review: *One Day*, David Nicholls This book went viral over the past couple of years. The orange cover popped up everywhere I went, the London Underground, bus stop, in cafes etc, etc. I didn't read it until last year which felt a little bit late to join the party but I was really glad I had.

~~Review: One Day, David Nicholls — Girl with her Head in a Book~~

With its epic sweep and stunning structural conceit, *One Day* fizzles with wit, deft characterisation and sheer storytelling brio. A novel capable of moving the reader from laughter to tears in the course of a single sentence. Twenty years, two people, ONE DAY. The multi-million copy bestseller that captures the experiences of a generation.

Falling in love on the eve of their 1988 college graduations, Dexter and Emma embark on a heady relationship marked throughout subsequent decades by their disparate personalities, conflicts and misconceptions, in a tale told on the anniversaries of the day they met. Original.

NOW A MAJOR MOTION PICTURE starring ANNE HATHAWAY and JIM STURGESS It's 1988 and Dexter Mayhew and Emma Morley have only just met. But after only one day together, they cannot stop thinking about one another. Over twenty years, snapshots of that relationship are revealed on the same day—July 15th—of each year. Dex and Em face squabbles and fights, hopes and missed opportunities, laughter and tears. And as the true meaning of this one crucial day is revealed, they must come to grips with the nature of love and life itself. "One of the most hilarious and emotionally riveting love stories you'll ever encounter." —People #1 INTERNATIONAL BESTSELLER

'ONE DAY is destined to be a modern classic' — Daily Mirror Twenty years, two people, ONE DAY. The multi-million copy bestseller that captures the experiences of a generation. 'I can imagine you at forty,' she said, a hint of malice in her voice. 'I can picture it right now.' He smiled without opening his eyes. 'Go on then.' 15th July 1988. Emma and Dexter meet for the first time on the night of their graduation. Tomorrow they must go their separate ways. So where will they be on this one day next year? And the year after that? And every year that follows? Now a major motion picture starring Anne Hathaway and directed by Lone Scherfig.

'A wonderful, wonderful book' — THE TIMES Includes an extract from David Nicholls' highly-anticipated new novel, SWEET SORROW. Twenty years, two people, ONE DAY. 'I can imagine you at forty,' she said, a hint of malice in her voice. 'I can picture it right now.' He smiled without opening his eyes. 'Go on then.' 15th July 1988. Emma and Dexter meet for the first time on the night of their graduation. Tomorrow they must go their separate ways. So where will they be on this one day next year? And the year after that? And every year that follows?

From the best-selling author of *One Day* comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love—and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father—when surely it should be the other way round—and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite

himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, Romeo and Juliet learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, Sweet Sorrow is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

"The highly anticipated new novel from David Nicholls, author of the mega-bestselling fiction sensation One Day, which follows one man's efforts to salvage his marriage--and repair his troubled relationship with his teenaged son--during the course of a trip around Europe"--

Recently divorced actor Stephen C. McQueen (no relation, unfortunately) seems to have a knack for bad luck. But a failed marriage, a stalled career, a judgmental ex-wife, a distant daughter, a horrid little studio apartment in the far reaches of the London suburbs--all these pathetic elements seem to pale in the chiseled face of his newest tormentor: the Twelfth Sexiest Man in the World, Josh Harper. Josh is the star of Mad, Bad, and Dangerous to Know, a biographical play about Lord Byron--and Stephen is his understudy. Not only is Josh fantastically, infuriatingly good-looking, internationally renowned, and remarkably talented, he's also frustratingly healthy. No matter how many all-night booze-and-coke benders Josh goes on, he always shows up at the stage door for his call like clockwork. Stephen doubts he'll ever get his chance to slip on the puffy shirt and tight breeches of Byron and tread the boards in the role that would certainly be the break he's always waited for. And just when Stephen's sure he couldn't resent Josh more, he meets Josh's witty, restless American wife, Nora . . . and discovers he likes her a little too much. Another man might curse his luck at finding that his potential dream woman is a rival's wife, but at this point, Stephen would expect nothing else. Caught between his stirring feelings for Nora, the demands of an insistent and secretive Josh, and his lifelong desire for a real career in show business, Stephen must make a terrible decision: Will it be the girl or the fame? A hapless, bumbling bloke in love, an arrogant megastar with a potpourri of addictions, a sexy married woman out of her element in the fast lane--David Nicholls brings them all together in this knockout romantic comedy.

'This perfectly executed novel is a reminder that reading can be the finest entertainment there is' Guardian Twenty years, two people, ONE DAY. The multi-million copy bestseller that captures the experiences of a generation. 'I can imagine you at forty,' she said, a hint of malice in her voice. 'I can picture it right now.' He smiled without opening his eyes. 'Go on then.' 15th July 1988. Emma and Dexter meet for the first time on the night of their graduation. Tomorrow they must go their separate ways. So where will they be on this one day next year? And the year after that? And every year that follows?

NOW A MAJOR MOTION PICTURE "Utterly charming . . . a big-hearted, flawless coming-of-age tale, as scary and funny as your yearbook picture."--People (four stars) The year is 1985. Brian Jackson, a working-class kid on full scholarship, has started his first term at university. He has a dark secret--a long-held, burning ambition to appear on the wildly popular British TV quiz show University Challenge--and now, finally, it seems the dream is about to become reality. He's made the school team, and they've completed the qualifying rounds and are limbering up for their first televised match. (And, what's more, he's fallen head over heels for one of his teammates, the beautiful, brainy, and intimidatingly posh Alice Harbinson.) Life seems perfect and triumph inevitable--but as his world opens up, Brian learns that a little knowledge can be a dangerous thing. Praise for A Starter for Ten "Fresh, edgy and very funny . . . [David Nicholls] has a talent for droll dialogue and a wonderful sense of the ridiculous."--USA Today "Starter for Ten has that elusive Hornby-factor. . . . It's wincingly funny . . . a prospect to savour."--Arena
