THE PERFECT MARKETING BOOK FOR B2B SERVICE COMPANIES This book is a blueprint for how companies in the B2B service industry can apply the growth hacking mentality to their own business. Most growth hacking marketing books focus on SAAS, software, and tech companies, which is where growth hacker marketing originated. Ross has approached growth hacking from a new angle, testing these marketing experiments on his own business to identify hacks that accelerate growth for service companies.(Just like his own agency) Like the perfect paper plane, it's been a case of trial and error for Ross and his team, but these lessons over the years on what works and what doesn't; means when it comes to small business marketing, he's managed to create a step by step guide which truly allows your business to soar.(Yes that is a paper plane plan!) In this step-by-step guide to growing your business through growth hacking, you will learn: How to select the perfect marketing hack/idea for your business with practical examples. How to get your current clients to spend x10 with you How to scale your marketing rapidly without extra effort. How author Ross Davies applied these lessons to his own business, which consistently grew by a minimum of 50 % per year for five years. br> The aim of this book is to drive more sales specifically for the small business in the B2B service space, to ensure thats obvious, its intended for companies such as:br> Creative Agencies Accountants Solicitors Healthcare Recruitment Fire safety Photographers br> Ross's ethos is "Client success through Design" which he normally applies to his web design agency, but he's designed the book in a way you can flick through and only use the most relevant parts. Whether you're a start-up or an established business, this marketing book based on the principles of Growth hacking, will grow your business, sales and most importantly, profits.

Covers the six essential elements of the dynamic business growth plan: Vision, Mission, Values, Objectives, Strategies, and Priorities Previously the top-rated speaker for Stephen Covey's organization, the author is now a successful speaker and consultant with some of the world's finest small and mid-sized companies The book delivers a proven planning process that engages employees, develops leadership capacity, improves performance, and accelerates growth.

Famous entrepreneur Scott Olivet (Oakley, Mervin Manufacturing, Da Kine and more) said "90% of business books should be pamphlets or workbooks." We agree ... we hope that you will write in the space provided here, in the margins, everywhere ... In order to support your leadership journey and growth, we recommend focusing on ONE Paper Napkin Wisdom per week. There are takeaways, and five questions at the end that we all Firestarters, designed to ignite your leadership transformation. The Firestarters are short questions that will allow you to focus, align, and act. Each week, as you grow your leadership in simple steps, you will focus on building one aspect of your leadership muscle. In order to really be impactful, you will need to focus on the task at hand and on completing the steps and answering the five questions in the Firestarter. Reading the chapter and answering the questions should take no more than 10 to 15 minutes a week. Then align yourself with people who can help you. Join in the conversation on the Paper Napkin Wisdom community on Facebook. Surround yourself with team members, peers, and mentors who can help you with your journey. We challenge you to be transparent about the transformation you plan to make. Do not underestimate what you can accomplish in a year. Finally, act. Execute what you have said you will do in the Fire-Starter and ignite your leadership journey. You can also go to PaperNapkinWisdom.com and listen to the entire interview with each of our Paper Napkin Wisdom guests. Just search for their name and go. This is especially useful if the message in the week's lesson is causing you to stall.

Special edition slipcase edition of John Green's Paper Towns, with pop-up paper town. From the bestselling author of The Fault in our Stars. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.
