Gear up for a journey into the mud-splashing, trailblazing world of all-terrain vehicles! Learn why these rugged runners are loved by farmers, hunters, and racers! In this book, readers in grades 4-8 will discover how these adaptable autos evolved from three to four wheels. This information- and photo-packed series introduces readers to the coolest off-road vehicles on the market and in the military. Each book in the series revs readers' engines with amazing details and eye-catching images. These high-interest books feature stand-alone spreads, so readers can flip pages and read in any order. Glossary words are defined on the page where they appear, boosting reader comprehension.

Feel like somebody hit the brakes on your Diesel Brothers cravings? Discover how you can keep the gas going with this rip-roaring ride behind the scenes of Discovery Channel's popular series Diesel Brothers. In the world of monster trucks, no one builds bigger and more extreme rides—and has more fun in the process—than Heavy D, Diesel Dave, and their crew at DieselSellerz. Their larger-than-life creations and awesome truck giveaways are legendary, but for those less fortunate who haven't had the opportunity to experience a Bros' souped-up truck, this thrill-ride of a book is the next best thing. Learn the epic and inspirational stories behind Heavy D and Diesel Dave's business and personal lives, from the guys' first meeting, to their early adventures building DieselSellerz, to their successful business venture with Redbeard, Muscle, and the rest of the fearless staff. In addition to learning about the Bros' two-year Mormon missions, humble beginnings, and world travels, you'll also get the unforgettable details of their hilarious, most well-known pranks, and the remarkable stories behind the personalities that have made Diesel Brothers one of the fastest growing and most popular reality TV shows. But wait—there's more! The book is chock full of essential advice for anyone who'd like to get in on the action. Whether you're a die-hard monster truck fan or just looking for inspiration to upgrade that piece of junk in your garage, Heavy D and his crew are here to show you how it's done. You'll learn how to find the best bargain in the junkyard, how to play hardball with tough-talking dealers, and how to turn that sad sack heap of parts into a badass diesel vehicle. What are you waiting for? Get out there and let diesel freedom ring!

The president of the Russian Federation gives his military the go-ahead. Spetsnaz Special Forces, GRU sleepers, mercenaries

and other Russian forces are released to back the pro-Russian separatists in their push west. Some NATO countries rise up and support their Ukrainian allies in their hour of need, whereas others dither, scared to square up to a superpower. But what is the Russian president really up to? Duplicity was successful. Will his deception be equally so? Return to Harvey Black's chilling Cold War - Redux series, based on the real events of the 2014 Ukrainian revolution, in this action-packed sequel to 'Duplicity'. Can anything be done to stop President Putinov bringing the world to the brink of destruction?

The Colorado Plateau is America's western treasure, home to the country's highest concentration of national parks, monuments, wilderness areas, and state parks, and a near-endless bounty of wild, stunning landscape. Discovering the Colorado Plateau will explore this region through beautiful maps, full-color photography, and detailed descriptions of the area's geography, history, and geology, as well as signature activities that encapsulate the best each locale has to offer. By purposefully shifting the focus away from the national parks, this book introduces readers to the various public lands and protected areas that are as exciting and wonderful as any of the major parks. Unlike any other book published recently about the Plateau, this book not only acts as a source of great information and imagery, but as a practical guide and a true celebration of one of America's most beautiful and endangered lands.

Includes an excerpt from: Crisis shot, the first book in the Line of duty series.

The legend of the Amazons is amazingly consistent across three continents, even though actual documentary proof seems elusive. In particular, the Athenians were most insistent about the historical reality of a nation of all-women warriors; their legends described a prehistoric conflict with the Amazons as one of their finest hours. Although later the Amazons became just

Download Ebook Polaris RZR Engine Number Location

another map-filling imaginary creature alongside Centaurs, Cyclops, and Giants, Greek legend gives many fine-grained details about the geography, history and anthropology of the Amazon nation.

A book of photographs that describe the many ways to say World of Difference.
