The two-volume "Manual of Nursing" is a comprehensive and up-to-date work on the nursing profession in South Africa. It covers the whole nursing curriculum and broadens the student's scope of knowledge by discussing subjects not included in midwifery, critical care nursing, community nursing and psychiatric nursing. Easy referencing ensures that the set (encapsulating the integrated nursing course) is of immediate and practical use. This work discusses medical and surgical conditions from a nursing perspective. Volume One introduces certain basics of nursing theory and practice and it includes a section dealing with nursing-related services.
