Answer: Option B. Relative speed = $20+10 = 30$ km/h, Distance to be covered = 75 km Time taken to cover that distance = $75/30 = 5/2$ hour = 2.5 hour. A person covers half of his journey at 30 km/hr and the remaining half at 20 km/hr.

Need help with Big 4 Interview Questions? The most important part of the big 4 interview process is...confidence. How can you get confidence? You can gain access to the questions that you will be asked, and you can also learn how to answer those questions. Imagine walking into a big 4 interview and knowing the type of questions that you will be asked and how to answer them? Wouldn't that feel amazing? That what the Big 4 Interview Questions book offers. Blow the big 4 recruiters and big 4 partners that you interview with away with your confidence and knowledge after you read this book. We've made the questions in our interview book so thorough so that you won't stumble on any questions on your big 4 interviews. Brought to you by the team behind the Amazon ebook -- The Big 4 Accounting Firms Recruiting Guide We are a team of Certified Public Accountants ("CPA's") who work at the Big Four (Pricewaterhousecoopers, KPMG, Ernst & Young or Deloitte). We all have at least 8 years of Big 4 experience. This book offers: questions that you can ask your big 4 recruiter questions that you can ask your big 4 partner a free resume template at the end of the book. over 30 interview questions and answers to help you get ready This book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate. You don't need to know every single thing about how the big 4 operate, but we focus you in on the key simple areas that will 10X your chances of being one of the top big 4 candidates. The format of the book is to first provide you with the question that will be asked in the interview. Then we provide the reason around why the big 4 ask that question. Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions. There are too many times where I have interviewed candidates, and they answered with an inappropriate answer. They didn't respond inappropriately because they are stupid or bad people. They responded inappropriately because they didn't practice or no one taught them how to interview. There are several categories that the big four public accounting firms like EY, Deloitte, PwC and KPMG test you on when they interview you. We try to cover as many of the categories as possible in this book. The big 4 interview questions are split into these categories. The skills that the top 4 accounting firms will test

you on are:1. Ability to face change2. Ability to learn on the job3. Your courage and integrity4. You client relationship skills5. Can you build and sustain relationships?6. Can you coach others?These and many other categories are covered in the big 4 interview questions books. We categorize our questions to help you think about your answers in a more thoughtful manner. Big 4 Accounting Firms Interview Questions will help you understand the: PwC interview questions and answers KPMG interview questions and answers EY interview questions and answers Deloitte interview questions and answers Don't forget to use the Look Inside feature to get a preview of what our book has to offer including a Free Big 4 Accounting Resume Template.You might also have a negative mindset that you feel like you can't shake. We have some tips on how to stay positive throughout the recruiting process. Even if you aren't a positive person, we tell you how to come off to Big 4 professionals as a positive individual.

"Discovered will give you the knowledge you desire to create unforgettable and transformational customer search experiences." - Dr. Marie Haynes, Foreword In the world of marketing, if you're not playing the game, then you're being played. Advancements in technology have evolved the way we attract and serve customers. As such, it's imperative that we keep up with each development and use them to our advantage so that we're always ahead of rapidly changing consumer behaviors. The old ways of getting customers' attention aren't as effective in our new world. If you want to remain relevant, you must adapt. These are the techniques the top 1% brands are using. Start doing the same so you can rise above them! There's a new channel that most businesses aren't taking advantage of because they don't understand the power behind it and don't know where to start. Yet, it's the next big thing. It's the new way people are searching because it's a lot faster and easier. With voice, customers can quickly summon search results with a few spoken words. This alternate channel benefits your business because it opens up avenues for brand discovery, customer support, and direct communication when shoppers are searching for a solution. But why stop there? Why not surpass more competitors by taking it one step further? There's no point in having optimized content on your website if it's not going to deliver an enriched customer experience. The customer experience plays a significant role in how you attract, delight, and keep customers. As a pivotal element of your business, this what makes your brand memorable and builds an affinity for your brand. In Discovered, all of this is explained in simple terms so that you can implement these tips as quickly and easily as possible. In this book, you'll discover: • How search engines work so that you can leverage their systems • The patterns behind shoppers search behavior • How to optimize your online content for voice search • How to streamline a customer's journey from their first search to post-purchase • What traits, mindset, and culture will increase your chances of success Discovered contains valuable tips and strategies to build your online presence using Search Engine Marketing, Search Engine Optimization (SEO), and Voice Search Optimization so that your brand is renowned for its Customer Experience. Discovered is accompanied by a Google Assistant Experience to view the sources for a more immersive experience.

The personal study guide leads individuals through the nine fasts described in Dr. Towns's bestselling book Fasting for Spiritual Breakthrough. By the use of questions, the reader is guided through the different purposes and elements of each type of fast. It is for every Christian who is seeking a deeper relationship with God, a strengthened faith, an understanding of the relationship with God, and an understanding of the discipline of fasting. This study can be used by individuals for personal study or as a test for small Bible study groups.
